#1 NEW YORK TIMES BESTSELLER! This NEW must-read fantasy from an author who is legend herself--**TAMORA PIERCE**--is one Bustle calls "the perfect book for die-hard Pierce fans and newcomers alike." "Tamora Pierce's books shaped me not only as a young writer but also as a young woman. She is a pillar, an icon, and an inspiration." --**SARAH J. MAAS**, #1 New York Times bestselling author "Tamora Pierce didn't just blaze a trail. Her heroines cut a swath through the fantasy world with wit, strength, and savvy. Her stories still lead the vanguard today. Pierce is the real lioness, and we're all just running to keep pace." --**LEIGH BARDUGO**, #1 New York Times bestselling author Discover the origin story of one of the realm's most powerful mages in the first book in the Numair Chronicles. Arram Draper is on the path to becoming one of the realm's most powerful mages. The youngest student in his class at the Imperial University of Carthak, he has a Gift with unlimited potential for greatness--and for attracting trouble. At his side are his two best friends: Varice, a

clever girl with an often-overlooked talent, and Ozorne, the "leftover prince" with secret ambitions. Together, these three friends forge a bond that will one day shape kingdoms. And as Ozorne gets closer to the throne and Varice gets closer to Arram's heart, Arram realizes that one day--soon--he will have to decide where his loyalties truly lie. In the Numair Chronicles, readers will be rewarded with the never-before-told story of how Numair Salmalín came to Tortall. Newcomers will discover an unforgettable fantasy adventure where a kingdom's future rests on the shoulders of a talented young man with a knack for making vicious enemies. "I take more comfort from and as great a pleasure in Tamora Pierce's Tortall novels as I do from Game of Thrones." --The Washington Post

Qualia is an elderly widow, dying alone in her bedroom. Suddenly, she's a young housewife in a psychiatrist's office, explaining how she's hearing voices in the walls of her house—and how her husband, Pierce, is ignoring her. There's something wrong with her world. No one wants to take her money, except for her disbelieving psychiatrist—and Pierce pays for him. Did Pierce write the book to drive her mad? Is her doctor gaslighting her? Can she trust anyone except the talking walls? Bit by bit, she peels open the mystery. Then it's Pierce's turn. The metafictional love child of TIME AERIALS and YESTERDAY MAKERS, this novel takes you down a rabbit hole of nested realities, perversions, illusions, and time travel. Marriage therapy has never been so expensive or weird or twisted. But it's a bumpy ride to awareness. "I am Shanghai Pierce, Webster in Cattle, by God, Sir." And, in truth, he was. Part rascal, part gentleman, part poseur, part just himself—of all the colorful Texas figures following the Civil War none was as loud, garish, and funny as Shanghai Pierce, who left Rhode Island penniless and became one of the Big Pasture Men of southern Texas. At six foot, four, Shanghai Pierce was big, rich, and selfish, but he could also be kind. His

cunning was seldom matched, and business, whether it involved a quarter-million-dollar loan or a twenty-five cent pair of socks, was his lifeblood. In recreating the life of Abel Head ("Shanghai") Pierce, Chris Emmett unfolds the entire dramatic spectacle of the time and place in which Pierce lived. An arresting figure, Pierce was a symbol of his era. His statue, which he himself erected in Hawley, Texas, is still a perfect memorial to, and a reminder of, westward-moving America. Shanghai Pierce was a man who pulled up his roots and fled to the West, where he found there was ample room and opportunity. First published in 1953, Shanghai Pierce: A Fair Likeness won the 1953 Summerfield G. Roberts award of the Texas Institute of Letters for the best book on the Republic of Texas. 2016 Christopher Award Winner From acclaimed actor and producer Wendell Pierce, an insightful and poignant portrait of family, New Orleans and the transforming power of art. On the morning of August 29, 2005, Hurricane Katrina barreled into New Orleans, devastating many of the city's neighborhoods, including Pontchartrain Park, the home of Wendell Pierce's family and the first African American middle-class subdivision in New Orleans. The hurricane breached many of the city's levees, and the resulting flooding submerged Pontchartrain Park under as much as 20 feet of water. Katrina left New Orleans later that day, but for the next three days the water kept relentlessly gushing into the city, plunging eighty percent of New Orleans under water. Nearly 1,500 people were killed. Half the houses in the city had four feet of water in them—or more. There was no electricity or clean water in the city; looting and the breakdown of civil order soon followed. Tens of thousands of New Orleanians were stranded in the city, with no way out; many more evacuees were displaced, with no way back in. Pierce and his family were some of the lucky ones: They survived and were able to ride out the storm at a relative's house 70 miles away. When

they were finally allowed to return, they found their family home in tatters, their neighborhood decimated. Heartbroken but resilient, Pierce vowed to help rebuild, and not just his family's home, but all of Pontchartrain Park. In this powerful and redemptive narrative, Pierce brings together the stories of his family, his city, and his history, why they are all worth saving and the critical importance art played in reuniting and revitalizing this unique American city.

Body Piercing is a "Hands-On" occupation. One must perform a physical act, in a skillful manner, to accomplish the task of body piercing. To be a body piercer, one must actually learn to be proficient in executing these physical activities. This book demonstrates six different "simulated" piercing tasks that will teach you the physical skills of body piercing in six weeks or less. You don't need a real person to practice on to master these "mock piercing" skills. Each of the six practice techniques demonstrate real life, practice simulations that will prepare you to get started in the body piercing business as an apprentice or independent body piercer. It is the same concept as an airline pilot practicing in a simulator to develop and practice flying skills. To advance your body piercing skills, this book provides you with information on where to get self-learning video training and hard to find mentoring and coaching to get you "in the business" quickly. In addition to the physical elements of body piercing, the non-physical elements of body piercing are extensively covered in this book. You must know content like Aseptic Technique, avoiding cross-contamination, sterilization rules and regulations, how to measure jewelry, licensing, certification, and appropriate jewelry used for each piercing. If you want to learn the fundamentals of body piercing or just want to see what it is all about . . . you definitely need this book.

"Mr. Murakami's novels are filled with entertaining psychopaths." -- The New York Times A pulsating cult-favorite psycho-thriller, the basis of the major motion picture starring

Christopher Abbott and Mia Wasikowska *One of Literary Hub's "Ten Works of Literary Horror You Should Read (Even if You Don't Think You Like Horror)"* Kawashima Masayuki is a successful graphic designer living in Tokyo with his loving wife, Yoko, and their baby girl. Outwardly, their lives are a picture of happiness and contentment, but every night while his wife sleeps Kawashima creeps from his bed and watches over the baby's crib with an ice pick in his hand and an almost visceral desire to use it. One night, as this struggle unfolds once more, Kawashima makes a decision to confront his demons and sets into motion an uncontrollable chain of events seeming to lead inexorably to murder. The follow-up to *In the Miso Soup* from a cult favorite writer, Piercing confirms Murakami as the master of the psycho thriller—terrifying, sickening, and utterly gripping. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. Body piercing is when a hole is made in your body so you can add a piece of jewelry for decoration. The earlobe is the most

common body piercing. Some people also pierce their ear cartilage (the hard part of the outer ear). Other places to pierce include the eyebrow, nose, tongue, lip, belly button, nipples, and genitals. People from many different cultures have pierced their bodies for centuries. If you look in a history book, you will find that Egyptians, Greeks, and Romans decorated their bodies with piercings and tattoos. Many pierced their bodies to show their importance in a group, or because they thought it protected them from evil. Today, we know much more about the risks of body piercing. Almost any part of the body can be pierced but it is always important to consider your individual anatomy before getting a piercing. Even the best is different and piercings such as upper lip piercings and intimate piercings are very dependent on the individual shape of your lip etc. Grab a copy today and discover amazing tips and guide to help you on your body piercing journey This is a "must have" body piercing handbook and exclusive resource guide for beginning and experienced body piercers. You get an insider look at 19 of the most popular piercings. You will learn the type and dimensions of jewelry appropriate for each piercing. Most importantly, I cover unique characteristics and special considerations associated with the more difficult piercings. Knowing this information keeps you out of trouble and makes your life much easier as a piercer. Licensing and certification in the body piercing industry is confusing and varies between localities. Although it can change from state to state, and year to year, you need to understand what both terms mean and how to deal with them in your city and state. Chapter 12 is totally devoted to licensing and certification in the body piercing industry (a must read). Chapter 10 deals with common piercing questions your clients will ask you. Your ability to answer these questions properly will demonstrate to your clients the depth and understanding you have of body piercing. An extensive command of these questions will generate trust between you and your

potential clients. People will not let you pierce them if they do not trust you, and your knowledge creates trust. Check out Chapter 10, it will build your confidence and client's trust. Everybody wants my resource guide. This guide is a comprehensive list of the people I buy from and what I buy. I have also listed the items you will need for a body piercing business and estimated cost of each item. This exclusive listing will aid you in making informed decisions on the purchase of body jewelry, related supplies and services for your body piercing business. This information will save you lots and lots of money. In this description I have only covered four chapters. There are 18 total chapters in this book that are devoted to sharing what I know from my 18 years of body piercing experience. Don't pass up this opportunity to get that insider information other piercers will never share with you. **THE ASSIGNMENT:** Piercing The Darkness is a book filled with codes and triggering mechanisms designed to awaken all who read it to the exalted forces of Light. It contains information available no where else. Below and above humanity's daily mundane existence, a great battle is being waged for the destiny of Earth. An unknown world of genuine Cosmic and Earth magick, Cosmic spells, friendly aliens, unbelievable technology, and humans fighting for Earth's liberation really does exist. The war against the heinous strategies and tactics of evil darkness is being fought bravely and lovingly by the forces of Light. The transition to my leadership over The Realm of The Magi is now complete. Luna's and my extended training by The Masters of The Brotherhood of Light has been completed. Phase two of my life is in full swing. The Elders' Council of The Ancients had given me a huge assignment: To pierce the darkness that deceives, smothers, and hinders the progress of Earth's humanity. We were given Cosmic limitations forbidding the use of dark magick or other means of forcing or controlling humanity's exercise of free will. Even with our limitations, we were provided

plans, strategies, tactics, exalted tools of Earth energy magick and Cosmic magick, and even unbelievable alien technology with which to combat the forces of evil darkness. I am leading our worldwide teams of wizarding shamans, high magicians, and witches who are merged in full cooperation with the special forces armies of two extraordinary shielded planets located across the galaxy. Together we are slowing the downward plunge of humanity's consciousness and igniting important changes. Some of those changes you are now witnessing around the world. If you read this book, you will be changed in positive ways unique to your own higher purpose. You have been brought to this book for reasons you will not discover unless you read it. If you don't have joy, you won't have the strength to overcome. This book will help you better understand how even in the midst of crisis and chaos, God wants to use joy as a weapon to tear down the attacks of the enemy and give you the spiritual bandwidth to overcome. Joy in the War is a unique book about finding joy in the midst of devastating events, including those happening in America and around the world. The Lord desires that His children know He is a covenant God. When we choose to align with His purposes, even the conflict and warfare surrounding us cannot stop His joy from manifesting and releasing a strength and purpose that empowers us to triumph. We can learn not to fear war or impending doom as we realize that overcoming joy can be our portion even in times of hardship. These lessons from Daniel and Amber Pierce—part of the legacy family of Chuck Pierce—have been walked out over the past decade as they have lived in the Land of Israel: a place where war is a constant threat and lessons for America and the church can be gleaned. A body piercing is just what it sounds like - a piercing or puncture made in the body by a needle. After that, a piece of jewelry is inserted in the hole. Commonly pierced body parts are the ears, nose, and the belly button. Oral piercings include the lip,

cheek, and tongue. THE BODY PIERCING GUIDE FOR MEN BY LORA LEIWS IS A MUST READ FOR PEOPLE LOOKING TO LEARN SAFE AND BEAUTIFUL WAYS TO PIERCE THEIR BODY. Even though body piercings are not as permanent as tattoos, you still want to take some care when deciding where and how to get pierced. After all, body art makes a statement and can be part of your identity. There are so many different types and styles to choose from, not to mention locations on the body. And the typical pain levels, risks, and healing times differ between different types of piercings. Knowing these factors can help you make the right decision and best prepare when deciding on a new piercing. Joey wasn't dealing with the best of news. The phone call informing her that her niece was dead was bad enough, but her great-niece, Becky, was also in danger. Then finding out her twin sister, Margie, had Joey's office bugged just about sent her over the edge. And now her mother's life was being threatened for information on Becky. Joey was going to have to kill someone before this was all over with. Pierce was having a time dealing with stress lately. Trying to please everyone and not giving himself any slack was about to do him in, and no one was helping him at all by telling him he needed to find a mate. Just thinking about that prospect was stressful too. Pierce was gifted. Not only was he a bear, but he could read the minds of others. He was a great profiler. Meadow sent him to help Joey find the spies in her organization. As soon as Pierce met Joey, he knew he had found his mate at long last, but telling her would have to wait. With everything else she had going on, that information might make her head explode. A Personal Touch That Shows You Care! Welcome to the world of books. This colorful, personalized keepsake is just for you. In Pierce's Reading Log, your family and friends will be able to record the first 200 books you read and prepare you for a lifetime of reading, achievement, and success. Sprinkled with great advice and inspiration, this memory book will remind you throughout your life of those books and people who inspired you. A note for adults: recording a child's first books creates a mindset of reading-the first steps to a lifetime of learning and growth. Did you know that I love you? Could you feel it in my hugs? From her soft kisses and soothing hugs to her tasty tea and warming mug, Bird sweetly expresses her love to Fox so he knows that no matter how big he gets or where he goes, her love is always with him. With delightfully endearing illustrations, debut author-illustrator Christa Pierce creates a whimsical tale that will have every reader feeling loved and cherished. NEW YORK TIMES BESTSELLER • Pierce Brown's relentlessly entertaining debut channels the excitement of The Hunger Games by Suzanne Collins and Ender's Game by Orson Scott Card. •Red Rising ascends above a crowded dystopian field. •USA Today ONE OF THE BEST BOOKS OF THE YEAR•Entertainment Weekly, BuzzFeed, Shelf Awareness •I live for the dream that my children will be born free, she says. •That they will be what they like. That they will own the land their father gave them. •I live for you, I say sadly. Eo kisses my cheek. •Then you must live for more. • Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity

reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity's overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society's ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Praise for Red Rising "[A] spectacular adventure . . . one heart-pounding ride . . . Pierce Brown's dizzyingly good debut novel evokes The Hunger Games, Lord of the Flies, and Ender's Game. . . . [Red Rising] has everything it needs to become meteoric." Entertainment Weekly "Ender, Katniss, and now Darrow." Scott Sigler "Red Rising is a sophisticated vision. . . . Brown will find a devoted audience." LOVE YOU FOREVER is one of many personalized children's books by Live Well Media. A brilliant detective, a crazed killer, a mysterious couple, a handful of prostitutes... Lives converge and history is altered as an entire city is plunged into an era of panic and terror. A ruthless killer ravages London, seizing its helpless prostitutes; murdering and mutilating their bodies before vanishing, untraced and unpunished. In a time when lives hang in the balances, when murder is the consequence of failure, when a city teeters upon the brink of pandemonium, it is up to one man to unravel the mystery, to put a face to the myth-like

villain; to end the gruesome killing spree. Delving into the bleakest moments of 1888 when death itself walked the streets of London and blood pierced the denseness of the fog, Detective Pierce Ackles is forced to face his most formidable opponent yet: the illusive Jack the Ripper. Through meticulous analysis of evidence, an uncanny perception of the darkest elements of human nature, and an unmatched wit, he is set against the world's most cunning and brutal killers. Driven by a steely commitment and unrelenting desire to see justice prevail, he is the embodiment of every criminal's most dreaded opponent. With lilting lullaby text and lovely illustrations, the New Books for Newborns stories are the perfect first books for new parents to share with their little ones right from the start! Start here. If only raising a child was that easy. It can be difficult in the first year to figure out what's just right for your baby. But with this new line of books—New Books for Newborns—story time is really that simple. Designed as the first books to start reading with your baby, these just-right stories hit all the right notes with soothing texts, lovely art, and, most importantly, stories meant for sharing any time of the day. Start here. Snuggle up. It's story time! This book celebrates a mother's love trumping even majestic mother nature—a mama's love is higher than a mountain and deeper than any stream. Piercing pioneer Elayne Angel has performed over 40,000 piercings since the 1980s and has brought many practices, such as tongue-piercing, into the mainstream. She brings her exhaustive knowledge to this groundbreaking manual that covers everything you need to know about the process, including: • The best piercings and placements for various body parts and body types • Terminology, tools, and techniques of the trade • Vital sterility, sanitation, and hygiene information • Jewelry designs, shapes, and materials • Advice for people with stretch marks, plastic surgery, and unique anatomy • Healing, aftercare, and troubleshooting for

problem-free piercing "As a piercer, nurse, and educator, I can say without a doubt that this is the most complete book ever written for all people in our industry." --DAVID A. VIDRA, FOUNDER AND PRESIDENT OF HEALTH EDUCATORS, INC. "No one is more qualified to write this book than Elayne Angel. With more than three decades of personal experience to her credit, no one knows the subject better." --JIM WARD, FOUNDER OF GAUNTLET, THE WORLD'S FIRST BODY PIERCING STUDIO "This is an exciting book for a field that has exploded in the last two decades. National industry standards are needed, and Elayne provides important data." --MYRNA L. ARMSTRONG, RN, EdD

The Bible is way more than a book--for so many, for so long, it's been the doorway into a new life full of meaning and adventure and freedom. But for so many students, the Bible is a daunting book. It seems intimidating and disconnected from their everyday life. Until now... In Pierced, students will discover a narrative version of the New Testament that reads more like a regular book, and is organized to make better sense. Every book is introduced by original artwork created by teenage artists. And every book includes the actual scribbled notes and highlights and questions that teenagers have written in their own Bibles. You get to join their conversation as you read, with space throughout to add your own voice. The story of Jesus is piercing, and will pierce you, as you follow his narrative all the way to his heart.

Special Features:

- Biblica's "Books of the Bible" approach to simplifying the New Testament narrative.
- Original, student-produced artwork that serves as a thematic "on-ramp" to every book.
- Actual journal notes, comments, and questions from teenagers' own Bibles scattered throughout.
- Journaling space that completes the conversation.
- A stripped-down design that takes away the intimidation factor in reading the Bible.

Eleven-year-old Alanna, who aspires to be a knight even though she is a girl, disguises herself as a boy to become a royal page, learning many

hard lessons along her path to high adventure. It's a battle of the Titans! Kelly Rushmond had always thought she'd take over running Rushmond Hotels from her grandfather. All her life, she'd worked hard to earn that role. So when her grandfather announces that he's going to sell Rushmond Hotels to Pierce Halliday, Kelly is devastated. And furious that her grandfather would order her to help facilitate the sale! Pierce Halliday hadn't decided that Halliday Hotels would buy the Rushmond Hotel chain. But at the first sight of Kelly Rushmond, he knew that he wanted her! She was beautiful, feisty and brilliantly intelligent. Now that he'd found the woman he wanted to spend the rest of his life with, he had to convince her that he wasn't the devil! Oh, and he needed to dissuade a serial killer from hurting her! All in a day's work, right?

"A spiritual love story that asks the question: what happens after we die? Set in a parallel USA"-- What if the most steadfast faith you'll ever encounter comes from a Black grandmother? The church mothers who raised Yolanda Pierce, dean of Howard University School of Divinity, were busily focused on her survival. In a world hostile to Black women's bodies and spirits, they had to be. Born on a former cotton plantation and having fled the terrors of the South, Pierce's grandmother raised her in the faith inherited from those who were enslaved. Now, in the pages of *In My Grandmother's House*, Pierce reckons with that tradition, building an everyday womanist theology rooted in liberating scriptures, experiences in the Black church, and truths from Black women's lives. Pierce tells stories that center the experiences of those living on the underside of history, teasing out the tensions of race, spirituality, trauma, freedom, resistance, and memory. A grandmother's theology carries wisdom strong enough for future generations. The Divine has been showing up at the kitchen tables of Black women for a long time. It's time to get to know that God. Packed with optimism, **YOU ARE LOVED** is a personalized coloring book that celebrates love and positive thinking. **PREVIEW** book & **PURCHASE** with **ANY NAME OF YOUR CHOICE @ LiveWellMedia.com!** **CUSTOMER REVIEWS** for Personalized Books by Suzanne Marshall Beautiful! I received the book today and it's beautiful. I'm a RN and I work in a NICU; the book was purchased for one of my little patients. I'm so excited to give it to the family! Adorable & Uplifting! I got this book for a friend's son and they absolutely loved it! I browsed through it, and the pictures are adorable. The message is very positive. I would

recommend this book to anyone, but it does make a great gift! ~ Diana My twins give four thumbs up! Ms. Marshall has a gift for touching the hearts of her young readers, as well as those who are young at heart. ~ Leila, Luke & Sasha An amazing gift! Everyone should have this book! The photos are bright and fun, full of life and love. This book would be a special gift for ANYONE young or old. We all need an extra reminder now and then of who and what makes the most impact on our lives. ~ Anny My daughter has enjoyed every moment of your book. I see her eyes light up and her heart filled with warmth and love as I read each page. ~ Ami I just read this book and loved it! Although it's written for children, anyone (young or old) can benefit from its wisdom. I firmly believe that affirmations make a big difference in the way we see the world. And this book is written in such a way that kids of all ages will gain from it. ~ Jay My daughter was so excited when she got her new book in the mail! She read it to me right way. She loved the beautiful and bright and fun story and illustrations about the cute doggies. ~ Tammy I absolutely love these books! I am ordering a duplicate set. ~ Lauralee My 3.5 year old son received this book as a gift, but I have to say the affirmations spoke to me as well! You're never too old to be reminded that you should love yourself and celebrate all that is great about you! As with all of this author's books the pictures are great, and we have as much fun looking at the pictures as we do reading. ~ Stephanie This book has a warm, playful theme that kids will love, adults will feel good reading such positive affirmation for their kids to read over and over again. I highly recommend a copy for home and as a gift for loved ones! ~ Sarah As a mom of two little girls, I'm pretty picky about their toys and books. My 2 year old likes dogs, but is a bit nervous around big dogs and loud dogs. This book has been effective at helping her to build confidence in herself and around animals. What a great combination! ~ Amy Michael loves his book.

I also purchased one for my 2 granddaughters Morgan and Reagan. I gave the books to them at Easter and they are really enjoying them. They get very excited hearing their name. ~ Debbie

A mother describes her love for her child as higher than an eagle flies, warmer than the summer sun, and wider than a cloudless sky. This text creatively explores ways to bring teens into adulthood and covers crucial issues such as communication, sexuality, commitment, drugs and alcohol, violence and peer pressure and can be read by both parents and youth.

Randy Pierce was on top of the world, 22 years old, fresh out of college and thriving at an excellent job. His promising future seemed certain. Then, in just two short and devastating weeks, an unexpected neurological disorder plunged him into blindness. Randy, believing his future had vanished in the blink of an eye, wondered, "How can my life have meaning now?" Before he could fully answer, he had further to fall. Blindness was far from the worst challenge he would face. See You at the Summit is Randy's uplifting personal account of his journey through adversity to accomplishment. This improbable tale of human resiliency follows Randy as he learns to pick up the pieces of his life while discovering the extreme love, devotion and bravery of his guide dogs. He climbs from his lowest point, persevering to historic achievements in hiking, winning a National Marathon Championship, and becoming a highly sought motivational speaker. Randy's insightful vision will show you how our choices in responding to life's challenges define us so much more than those challenges ever could and perhaps, how a blind man really can see! See You at the Summit is built upon an indomitable spirit inviting you to share in summits of success and reach your peak potential. "In a world full of motivational books, there is quite simply nothing like See You At The Summit. Through his own deeply personal experiences, Randy not only explains how he battled

through his own loss of sight, but gives the reader an emotional roadmap for how to approach and ultimately overcome obstacles in their own life. It doesn't take 20/20 vision to see that this book is pure inspiration." Court Crandall Creator of the movie Old School Founder of Positivity Marketing & Entertainment

The Right Information About When, Where and Who Should Do Your Piercing - Vital Information You Simply MUST Know To Get, Keep and Maintain The Most Awesome Piercing Ever

Not only do you want the sexiest piercing around today, with just the right jewelry accessory, you want to make sure it stays clean and trouble-free, while ensuring your place on the 'hottest piercing' list in your neighborhood for years to come! Yes, body piercing does mean that there's blood and needles involved: that's why you want to know that your piercing will be absolutely safe, disease free and not cause harm to you or others. Facts, truths, and myths about Body Piercing - it's all in "Straight Talk About Body Piercing" This book gives you absolutely-positively-must-have answers you need before you decide to get your first, or your next piercing.

- + Body Piercing facts; Why people pierce their bodies, meanings of Body Piercing and why piercing has become so popular.
- + Body Piercing procedures - how Body Piercing is done and what is involved.
- + The question of pain - does it really hurt or not...
- + How to choose the right piercer and location for your piercing - just where you can (and can't) get pierced, what steps to take to reduce the risk of infection, disease and pain.
- + All you need to know about the equipment and the right tools that should be used for your body piercing procedure - this information will help you to make responsible decisions about your next piercing.
- + Names of piercings and body parts that can be pierced
- + Male, Female and Unusual piercings
- + Body Piercing and Pregnancy - keep your piercings looking great and attractive instead of losing them.
- + Vital information about care and healing times for all sorts of

piercing - what you should expect from 'start to finish' with exact care instructions, proper types of cleaning solutions and daily care routines. + Full details of the process and steps to take to gain maximum enjoyment from your piercing. + All about health hazards and risk factors - holes, scars, allergies, infections, keloids, contact dermatitis, self-piercing, bleeding, nerve damage, etc. + How to identify infections quickly and know exactly what to do about them. + How to choose the right jewelry - styles, types and materials that minimize healing time and look sexy forever. What jewelry and accessories you should use - and avoid. + The myths of Body Piercing such as teeth chipping, food tasting, sex, sensitivity and breast feeding + Airport Metal Detector Concerns - learn how to avoid clanging claxtons and security guards ... + Social issues - being different and dealing with the public, job providers, etc. + Legal issues - Rules and regulations. What do they all mean..., and what you need to be aware of... + The right age to get your piercing - is there such a thing as 'too young' or 'too old' to do it? + How to determine what your next piercing will be. + The two main costs affecting your body piercing procedure + Piercing for kids And much more ... The "Straight Talk About Body Piercing" ebook Most people don't know, or don't really understand enough about Body Piercing! And "Yes" it's important to understand that: *

- * Correct placement of piercing is crucial to avoid nerve damage and loss of feeling
- * Doing the piercing wrong can cause constant pain and/or loss of feeling for the rest of your life
- * Improper care of your piercing will take longer to heal
- * Size DOES MATTER - make sure you get the right accessory for your piercing that fits your body

Unlicensed people perform piercings all over the world - and their safety factor leaves a lot to be desired. Infections are common and can get really horrible if not taken care of properly. Get the wrong piercer and it can be a lot worse than an infection... With dozens of piercing locations and variations available (plus the differences for

men and women), sometimes it is hard to decide just which one you should get - not only for yourself, but for those that will be seeing it, too... Whether you are a young teen struggling to get your parent's permission or are 'fully grown' and looking for an exciting change, there are 'right times' and 'wrong times' to do body piercing (and certainly some 'wrong ways' you want to avoid!) If You Want To Look More Attractive With a Sexy Piercing..... Make Absolutely Sure You Create The Body Piercing Sensation Of A Lifetime "Straight Talk About Body Piercing" In this one ebook, you'll learn what you need to know about body piercing and how to make it the most awesome piercing ever... Plus, you will learn: + How Body Piercing is done and what is involved - step-by-step process. + Important factors that could affect your life and your income - things to consider before any body piercing. By now, you can see that "Straight Talk About Body Piercing" contains tons of critical information about the right way to get your piercing done right, with minimal risk and maximum safety. With "Straight Talk About Body Piercing", you'll go into your piercing with 100% assurance and peace of mind. In summary, here's what you get: + INSTANT access to this amazing information - no waiting for the mail! + Risk free - Lifetime 100% money back Guarantee. The risk is on MY shoulders! "Straight Talk About Body Piercing" So go ahead - order now. In as little as 2 minutes you will be benefiting from the proven facts and information of the "Straight Talk About Body Piercing" ebook that can literally save you time, money, and help you to have the most healthy and awesome, sexy piercings ever. Get started right now with your attractive, sexy piercing! Everything You Need To Know

About Piercing And Piercing Basics Even though body piercings are not as permanent as tattoos, you still want to take some care when deciding where and how to get pierced. After all, body art makes a statement and can be part of your identity. There are so many different types and styles to choose from, not to mention locations on the body. And the typical pain levels, risks, and healing times differ between different types of piercings. Knowing these factors can help you make the right decision and best prepare when deciding on a new piercing. GET YOUR COPY NOW..BY CLICKING BUY NOW ...

Revealing a forgotten truth in the present day, this account illuminates the crumbling political and economic structures of the West, shedding light on an ongoing and arduous search for a sense of purpose. Recounting a true story, this exploration tells of a wandering Mongol shaman who made a dramatic appearance around the Mediterranean centuries before the time of Christ. Highlighting how this nomad came as an envoy on a mission of purification, this study records how he met with a man who became tremendously influential in Western science, philosophy, culture, and religion: Pythagoras. The essence of Western civilization is said to have originated from this meeting and this examination argues that today's conflicts and tensions have stemmed from taking this monumental occasion for granted, forgetting that there must be a greater meaning to life than everyday efforts and struggles. Reflecting on a time when Eastern and Western cultures were one, this evocation contends that there is still a common spiritual heritage to all civilizations. A unique collaboration between the author and archaeologists, historians, and shamans from around the world, this document has the potential to change the future for all. This biography introduces readers to the life of Franklin Pierce including his military service, early political career, and key events from Pierce's administration including the Gadsden Purchase, the Treaty of Kanagawa, and

Bleeding Kansas. Information about his childhood, family, personal life, and retirement years is included. A timeline, fast facts, and sidebars provide additional information. Aligned to Common Core Standards and correlated to state standards. Checkerboard Library is an imprint of Abdo Publishing, a division of ABDO. BEKA COOPER IS a rookie with the Provost's Guard, and she's been assigned to the Lower City. It's a tough beat, but Beka can hear the voices of the dead on the wings of pigeons, and Beka's birds clue her in to two major murderers on the loose. The rest of the Guard is busy investigating the fire opal killer, so it's up to Beka to nab the Shadow Snake. Tamora Pierce begins a new Tortall trilogy introducing Beka Cooper, a young woman who lived 200 years before Pierce's popular Alanna character. Pierce employs first-person narration, bringing readers even closer to a character that they will love for her unusual talents and tough personality. When employing people as a Body Piercer in my Salons over the past 40 years all too often I found they have missed some of the basic fundamentals in their training. Their methods can even look fine when the client leaves the salon however the way they pierce caused contra-indications a few days later. This book is a great guide on becoming a professional. It forms part of the International training requirements for SIBBSKS505A code in Beauty therapy for piercing.
