Not available for sale in Jamaica, St Vincent and The Grenadines.

*Wilding* Aug 08 2021 An inspiring story about what happens when 3,500 acres of land, farmed for centuries, is left to return to the wild, and about the wilder, richer future a natural landscape can bring. For years Charlie Burrell and his wife, Isabella Tree, farmed Knepp Castle Estate and struggled to turn a profit. By 2000, with the farm facing bankruptcy, they decided to try something radical. They would restore Knepp's 3,500 acres to the wild. Using herds of free-roaming animals to mimic the actions of the megafauna of the past, they hoped to bring nature back to their depleted land. But what would the neighbors say, in the manicured countryside of modern England where a blade of grass out of place is considered an affront? In the face of considerable opposition the couple persisted with their experiment and soon witnessed an extraordinary change. New life flooded into Knepp, now a breeding hotspot for rare and threatened species like turtle doves, peregrine falcons, and purple emperor butterflies. The fabled English nightingale sings again. At a time of looming environmental disaster, *Wilding* is an inspiring story of a farm, a couple, and a community transformed. Isabella Tree's wonderful book brings together science, natural history, a fair bit of drama, and—ultimately—hope.

*Nineteen Eighty-Four* Apr 16 2022 "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-

Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

**Animal Farm** Feb 14 2022 Insight Study Guides are written by experts and cover a range of popular literature, plays and films. Designed to provide insight and an overview about each text for students and teachers, these guides endeavor to develop knowledge and understanding rather than just provide answers and summaries.

*The Turn of the Screw Illustrated* Sep 28 2020 *The Turn of the Screw* is an 1898 horror novella by Henry James that first appeared in serial format in *Collier's Weekly* magazine (January 27 - April 16, 1898). In October 1898 it appeared in *The Two Magics*, a book published by Macmillan in New York City and Heinemann in London. Classified as both gothic fiction and a ghost story, the novella focuses on a governess who, caring for two children at a remote estate, becomes convinced that the grounds are haunted.

*A Guide to the Literature of Rural Life* Feb 20 2020

*The Farm in the Green Mountains* Mar 15 2022 *The Farm in the Green Mountains* is a story of a refugee family finding its true home—thousands of miles from its homeland. Alice and Carl Zuckmayer lived at the center of Weimar era Berlin. She was a former actor turned medical student, he was a playwright, and their circle of friends included Stefan Zweig, Alma Mahler, and Bertolt Brecht. But then the Nazis took over and Carl's most recent success, a play satirizing German militarism, impressed them in all the wrong ways. The couple and their two daughters were forced to flee, first to Austria, then to Switzerland, and finally to the United States. Los Angeles didn't suit them, neither did New York, but a chance stroll in the Vermont woods led them to Backwoods Farm and the eighteenth-century farmhouse where they would spend the next five years. In Europe, the Zuckmayers were accustomed to servants; in Vermont, they found themselves building chicken coops, refereeing fights between fractious ducks, and

caring for temperamental water pipes “like babies.” But in spite of the endless work and the brutal, depressing winters, Alice found that in America she had at last discovered her “native land.” This generous, surprising, and witty memoir, a best seller in postwar Germany, has all the charm of an unlikely romantic comedy.

You Can Farm Oct 10 2021 Have you ever desired, deep within your soul, to make a comfortable full-time living from a farming enterprise? Too often people dare not even vocalize this desire because it seems absurd. It's like thinking the unthinkable. After all, the farm population is dwindling. It takes too much capital to start. The pay is too low. The working conditions are dusty, smelly and noisy: not the place to raise a family. This is all true, and more, for most farmers. But for farm entrepreneurs, the opportunities for a farm family business have never been greater. The aging farm population is creating cavernous niches begging to be filled by creative visionaries who will go in dynamic new directions. As the industrial agriculture complex crumbles and our culture clambers for clean food, the countryside beckons anew with profitable farming opportunities. While this book can be helpful to all farmers, it targets the wannabes, the folks who actually entertain notions of living, loving and learning on a piece of land. Anyone willing to dance with such a dream should be able to assess its assets and liabilities; its fantasies and realities. "Is it really possible for me?" is the burning question this book addresses.

Animal Farm: a Fairy Story Jul 07 2021 In 1944 Orwell finished *Animal Farm*, a political fable based on the story of the Russian Revolution and its betrayal by Joseph Stalin. In the book a group of barnyard animals overthrow and chase off their exploitative human masters and set up an egalitarian society of their own. Eventually the animals' intelligent and power-loving leaders, the pigs, subvert the revolution and form a dictatorship whose bondage is even more oppressive and heartless than that of their former human masters. ("All animals are equal, but some animals are more equal than others.") At first Orwell had difficulty finding a publisher for the small masterpiece, but when it appeared in 1945, *Animal Farm* made him famous and, for the first time, prosperous. *Animal Farm* was one of Orwell's finest works, full of wit and fantasy and admirably written. It has, however, been overshadowed by his last book, *Nineteen Eighty-four* (1949), a novel he wrote as a warning after years of brooding on the twin menaces of Nazism and Stalinism. The novel is set in an imaginary future in which the world is dominated by three perpetually warring totalitarian police states. The book's hero, the Englishman Winston Smith, is a minor party functionary in one of those states. His longing for truth and decency leads him to secretly rebel against the government, which perpetuates its rule by systematically distorting the truth and continuously rewriting history to suit its own purposes. Smith has a love affair with a like-minded woman, but then they are both arrested by the Thought Police. The ensuing imprisonment, torture, and reeducation of Smith are intended not merely to

break him physically or make him submit but to root out his independent mental existence and his spiritual dignity until he can love only the figure he previously most hated: the apparent leader of the party, Big Brother. Smith's surrender to the monstrous brainwashing techniques of his jailers is tragic enough, but the novel gains much of its power from the comprehensive rigour with which it extends the premises of totalitarianism to their logical end: the love of power and domination over others has acquired its perfected expression in the perpetual surveillance and omnipresent dishonesty of an unassailable and irresistible police state under whose rule every human virtue is slowly being suborned and extinguished. Orwell's warning of the potential dangers of totalitarianism made a deep impression on his contemporaries and upon subsequent readers, and the book's title and many of its coined words and phrases ("Big Brother is watching you," "newspeak," "doublethink") became bywords for modern political abuses. Orwell wrote the last pages of *Nineteen Eighty-four* in a remote house on the Hebridean island of Jura, which he had bought from the proceeds of *Animal Farm*. He worked between bouts of hospitalization for tuberculosis, of which he died in a London hospital in January 1950.

Things Fall Apart May 17 2022 **THINGS FALL APART** tells two overlapping, intertwining stories, both of which center around Okonkwo, a "strong man" of an Ibo village in Nigeria. The first of these stories traces Okonkwo's fall from grace with the tribal world in which he lives, and in its classical purity of line and economical beauty it provides us with a powerful fable about the immemorial conflict between the individual and society. The second story, which is as modern as the first is ancient, and which elevates the book to a tragic plane, concerns the clash of cultures and the destruction of Okonkwo's world through the arrival of aggressive, proselytizing European missionaries. These twin dramas are perfectly harmonized, and they are modulated by an awareness capable of encompassing at once the life of nature, human history, and the mysterious compulsions of the soul. **THINGS FALL APART** is the most illuminating and permanent monument we have to the modern African experience as seen from within.

**Animal Farm, George Orwell** Feb 02 2021 Created by Harvard students for students everywhere, SparkNotes books contain complete plot summaries and analyses, key facts about the featured work, analysis of the major characters, suggested essay topics, themes, motifs, and symbols, and explanations of important quotations.

Animal Farm Jul 19 2022 Use Novel-Ties ® study guides as your total guided reading program. Reproducible pages in chapter-by-chapter format provide you with the right questions to ask, the important issues to discuss, and the organizational aids that help students get the most out of each book they read.

*Writing Without Rules* Oct 30 2020 Stop What You're Doing and Write! Yes, You;

Write! Most writing guides imply--or outright state--that there's a fixed, specific formula or list of rules you must follow to achieve writing and publishing success. And all of them are phonies. Well, not completely. There are real, applicable techniques and strategies in any writing reference to help you. But the idea that there's only one way of writing? Nuts! With unconventional approaches to the craft, fresh angles on novel writing and selling, a healthy dose of humor, and no promise of refunds, *Writing Without Rules* is for those writers who have tried and tried again--and are ready to success on their own terms. In these pages, accomplished author Jeff Somers will show you: • The key to a successful writing career is doing the actual writing, no matter the circumstances. • Fantastic ideas are available everywhere--you just need to know how to tap into sources through a variety of approaches. • Important craft aspects that you should focus on, such as characters and dialogue, while spending less time on others, like setting. • Effective ways to get published--whether it's traditional or self-publishing--and how to supplement your income. Whether you're a plotter, a pantsner, or somewhere in-between, *Writing Without Rules* is for those writers who are looking for a fresh take on tackling the challenge of writing and selling a novel, and building a career. As Somers will show you, it's less about being perfect in everything, and more about having the confidence to complete everything.

Brook Farm Jan 21 2020

Animal Farm Jun 06 2021 When the downtrodden animals of Manor Farm overthrow their master Mr Jones and take over the farm themselves, they imagine it is the beginning of a life of freedom and equality. But gradually a cunning, ruthless elite, masterminded by the pigs Napoleon and Snowball, starts to take control. Soon the other animals find themselves hopelessly ensnared as one form of tyranny is replaced with another . . .

work, and a biography of the author. Each chapter is individually summarized and analyzed, and has study questions and answers.

**A Field Guide to Sprawl** Nov 18 2019 A visual lexicon of the colorful slang, from alligator investment to zoomburp, that defines sprawl in America. May well establish Ms. Hayden as the Roger Tory Peterson of Sprawl. --New York Times

Animal Farm - Literature Kit Gr. 9-12 Apr 23 2020 Experience the corruption of power and downfall of rebellion with this allegorical story of the Russian Revolution. This resource is great to use as a stand-alone resource, as well as a starting point for bigger activities. Predict whether old Major's words will inspire any action from the animals. Explain how life for the animals changed immediately following the rebellion. Answer multiple choice questions that reference life on the farm under the leadership of the pigs. Get into the minds of the animals who continue to confess in the face of executions to determine their motivations. Research the concepts of propaganda and historical revisionism and how they connect to Napoleon's actions in the novel. Discuss some of the instances of foreshadowing that can be found within the novel and how they influenced perceptions going forward. Aligned to your State Standards and written to Bloom's Taxonomy, our worksheets incorporate a variety of scaffolding strategies along with additional crossword, word search, comprehension quiz and answer key.

About the Novel: Animal Farm is an allegorical satire that recalls the Russian Revolution, in which the unhappy animals of Manor Farm rise up against humanity. In Willingdon, England, Mr Jones runs the neglected Manor Farm. His animals are not happy with their living conditions. One night, old Major calls on the other animals to overthrow the humans. He teaches them a revolutionary song called 'Beasts of England'. When he dies, conditions on the farm continue to deteriorate, to the point where the animals decide to rise up. They chase the humans off the farm and rename it Animal Farm. Two pigs, named Snowball and Napoleon take control and immediately adopt a set of seven commandments they call Animalism. The farm runs smoothly until bit by bit these commandments are broken by the pigs. Through propaganda, the pigs continue to keep control over the farm, even when the other animals start to question their actions. The story continues down a rabbit hole that inevitably shows the pigs are no different than the humans.

**George Orwell's Animal Farm** Sep 21 2022 REA's MAXnotes for George Orwell's Animal Farm MAXnotes offer a fresh look at masterpieces of literature, presented in a lively and interesting fashion. **Farming While Black** Mar 03 2021 "Farming While Black is the first comprehensive "how to" guide for aspiring African-heritage growers to reclaim their dignity as agriculturists and for all farmers to understand the distinct, technical contributions of African-heritage people to sustainable agriculture. At Soul Fire Farm, author Leah Penniman co-created the Black and Latino Farmers Immersion (BLFI) program as a container for new farmers to share growing skills in a culturally relevant and supportive environment led by people of color. Farming While Black organizes and expands upon the curriculum of the BLFI to provide readers with a concise guide to all aspects of small-scale farming, from business planning to preserving the harvest. Throughout the chapters Penniman uplifts the wisdom of the African diasporic farmers and activists whose work informs the techniques described--from whole farm planning, soil fertility, seed selection, and agroecology, to using whole foods in culturally appropriate recipes, sharing stories of ancestors, and tools for healing from the trauma associated with slavery and economic exploitation on the land. Woven throughout the book is the story of Soul Fire Farm, a national leader in the food justice movement." --

CliffsNotes on Golding's Lord of the Flies Nov 30 2020 The original CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. The latest generation of titles in this series also feature glossaries and visual elements that complement the classic, familiar format. CliffsNotes on Lord of the Flies takes you on an exploration of William Golding's novel to the dark side of humanity, the savagery that underlies even the most civilized human beings. Follow Golding's group of young boys from hope to disaster and watch as they attempt to survive their uncivilized, unsupervised, and isolated environment. You can rely on CliffsNotes on Lord of the Flies for character analyses, insightful essays, and chapter-by-chapter commentaries to ensure your safe passage through the rich symbolism of this novel. Other features that help you study include A brief synopsis of the novel A character map to help you see relationships among the characters A glossary that helps you get the most out of your reading An interactive quiz to test your knowledge Essay topics and review questions Classic literature or modern-day treasure—you'll understand it all with expert information and insight from CliffsNotes study guides.

Wuthering Heights Nov 11 2021 Wuthering Heights is the name of Mr. Heathcliff's dwelling. "Wuthering" being a significant provincial adjective, descriptive of the atmospheric tumult to which its station is exposed in stormy weather. Pure, bracing ventilation they must have up there at all times, indeed: one may guess the power of the north wind blowing over the edge, by the excessive slant of a few stunted firs at the end of the house; and by a range of gaunt thorns all

stretching their limbs one way, as if craving alms of the sun. Happily, the architect had foresight to build it strong: the narrow windows are deeply set in the wall, and the corners defended with large jutting stones. Before passing the threshold, I paused to admire a quantity of grotesque carving lavished over the front, and especially about the principal door; above which, among a wilderness of crumbling griffins and shameless little boys, I detected the date 1500, and the name Hareton Earnshaw. I would have made a few comments, and requested a short history of the place from the surly owner; but his attitude at the door appeared to demand my speedy entrance, or complete departure, and I had no desire to aggravate his impatience previous to inspecting the penetralium. One stop brought us into the family sitting-room, without any introductory lobby or passage: they call it here the house pre-eminently. It includes kitchen and parlour, generally; but I believe at Wuthering Heights the kitchen is forced to retreat altogether into another quarter: at least I distinguished a chatter of tongues, and a clatter of culinary utensils, deep within; and I observed no signs of roasting, boiling, or baking, about the huge fireplace; nor any glitter of copper saucepans and tin cullenders on the walls. One end, indeed, reflected splendidly both light and heat from ranks of immense pewter dishes, interspersed with silver jugs and tankards, towering row after row, on a vast oak dresser, to the very roof. The latter had never been under-drawn: its entire anatomy lay bare to an inquiring eye, except where a frame of wood laden with oatcakes and clusters of legs of beef, mutton, and ham, concealed it. Above the chimney were sundry villainous old guns, and a couple of horse-pistols: and, by way of ornament, three gaudily-painted canisters disposed along its ledge. The floor was of smooth, white stone; the chairs, high-backed, primitive structures, painted green: one or two heavy black ones lurking in the shade. In an arch under the dresser reposed a huge, liver-coloured bitch pointer, surrounded by a swarm of squealing puppies; and other dogs haunted other recesses.

*Lord of the Flies* Aug 28 2020 A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, *Lord of the Flies* is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on *Lord of the Flies* by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and

independent thinking while guiding the student through the text - ideal for use in the classroom and at home.

**The Handmaid's Tale** Apr 04 2021 An instant classic and eerily prescient cultural phenomenon, from “the patron saint of feminist dystopian fiction” (New York Times). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate “Handmaids” under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred’s persistent memories of life in the “time before” and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood’s devastating irony, wit, and acute perceptive powers in full force, *The Handmaid’s Tale* is at once a mordant satire and a dire warning.

*CliffsNotes on Orwell's Animal Farm* Jan 13 2022 The original CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. The latest generation of titles in this series also features glossaries and visual elements that complement the classic, familiar format. The animals in CliffsNotes on *The Animal Farm* reflect different kinds of humans and their struggles for freedom and power. Orwell felt that a farm where "All Animals Are Equal" would solve many social and economic problems—but he also knew that such a system would be difficult to maintain. Find out what happens on the farm when some of the animals act on the principle that "Some Are More Equal Than Others." You'll also gain insight into the life and political views of the author, George Orwell. Other features that help you study include Character analyses of major players A character map that graphically illustrates the relationships among the characters Critical essays A review section that tests your knowledge A Resource Center full of books, articles, films, and Internet sites Classic literature or modern-day treasure—you'll understand it all with expert information and insight from CliffsNotes study guides.

**Farm to Table** Dec 12 2021 "A century ago, virtually all food -- fruits, vegetables, grains, meat, and dairy -- was local, grown at home or sourced within a few miles. But today, most food consumed in the United States comes from industrial farms and concentrated animal feeding operations (CAFOs), with ramifications to our health, our environment, and our economy. The tide is turning, however, thanks to what has been called the "farm-to-table" movement. In *Farm to Table*, Darryl Benjamin and Chef Lyndon Virkler explore both the roots of our current, corporate food system malaise, and the response by small farmers, food co-ops, chefs and restaurateurs, institutions, and many more, to replace the status quo with something more healthy, fair, just, and delicious. Today's consumers are demanding increased accountability from food growers and purveyors. *Farm to Table* illuminates the best practices and strategies for schools, restaurants, healthcare facilities, and other

businesses and institutions, to partner with local farmers and food producers, from purchasing to marketing. Readers will also learn about the various alternative techniques that farms are employing - from permaculture to rotation-intensive grazing - to produce better tasting and more nutritious food, restore environmental health, and meet consumer demand. A one-of-a-kind resource, *Farm to Table* shows how to integrate truly sustainable principles into every juncture of our evolving food system."--Back cover.

*Animal Farm* Illustrated Jun 25 2020 George Orwell's *Animal Farm* is a 1945 book about a group of animals on a farm who organise a revolution, and take over from their human owners to run the farm themselves. Adopting the Seven Commandments of Animalism, the animals are taught to read and write by two young pigs, Snowball, and Napoleon. As time goes on, rivalry between the two develops, which culminates in Snowball being chased away and Napoleon becoming supreme leader. Growing more authoritarian, Napoleon purges the farm, executing those animals he accuses of siding with Snowball. And as more time progresses, their motto of 'All animals are equal' gets shifted to prioritise only Napoleon and the pigs. An allegory of the Stalinist era of Russia, Orwell shows that true equality can never be, as there will always be those that rise to the top, pushing others down in the process.

*Farm Dogs* Sep 09 2021 Gain a deeper understanding of your canine friends through these in-depth breed profiles that showcase how working dogs think. From familiar breeds like the Border Collie, Corgi, and Dachshund to the lesser-known Akbash, Puli, and Hovawart, Janet Vorwald Dohner describes 93 breeds of livestock guardian dogs, herding dogs, terriers, and traditional multipurpose farm dogs, highlighting the tasks each dog is best suited for and describing its physical characteristics and temperament. She also offers an accessible history of how humans bred dogs to become our partners in work and beyond, providing a thorough introduction to these highly intelligent, independent, and energetic breeds.

*Animal Farm* Feb 26 2023 All animals are equal but some animals are more equal than others. It's just an ordinary farm - until the animals revolt. They get rid of the irresponsible farmer. The other animals are sure that life is improving, but as systems are replaced and half-truths are retold, a new hierarchy emerges . . . Orwell's tale of propaganda, power and greed has never felt more pertinent. With an exciting new cover and inside illustrations by superstar Chris Mould.
