As a service to the classic car enthusiast VelocePress, in cooperation with Brooklands Books Ltd., has brought this and other repair manuals previously published as part of the Autobook - Autopress Owners Workshop Manual Series back in print. This series of manuals is an invaluable resource for the classic car enthusiast and a - must have - for owners interested in performing their own maintenance. These manuals include detailed repair & service data and comprehensive step-by-step instructions and illustrations on dismantling, overhauling, and assembly. Typically they contain individual chapters that deal with the following items: Engine, Carburetor & Fuel System, Ignition System, Cooling System, Clutch, Transmission, Drive Shaft, Rear Axle & Rear Suspension, Front Suspension & Hub, Steering Gear, Braking System, Electrical Equipment and Bodywork. There are many time saving hints and tips included and there is an easy to follow fault diagnosis at the end of each chapter. All of the manuals in this series include a detailed and feature an oil resistant laminated cover. This high quality reprint of the original FIAT Factory Workshop Manual includes complete technical data, service and maintenance information and comprehensive detailed instructions for the repair and overhaul of all major and minor mechanical and electrical components for the 1955 to 1969 Fiat 600, 600D and Multi models. This latest edition of the bestselling Auto Repair Manual covers more than 1,900 models of domestic cars from 1980 and includes more than 55,000 essential service specifications and repair facts as well as 2,500 diagrams, cutaways, and check spec charts.
