Voted America's Best-Loved Novel in PBS's *The Great American Read* Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime. *Stitch a beautiful garden with Donna Dewberry*

Here she has compiled fresh and appealing designs that depict the pretty, romantic illustrations typical of the Victorian and post-Victorian eras. Each project is accompanied by a detailed thread diagram which shows exactly which colour should be used and where. The small size of the designs allows for great flexibility in their final use such as group framing, making up into cushions, book covers, quilt squares, needle cases, box lids, tote bags, pockets on clothing and so on. Michael Fane arrives in the thin red house in Carlington Road to his new family of Nurse, Cook, Annie the housemaid, his younger sister Stella, and the occasional presence of Mother. From here, the novel follows the next twenty years of his life as he tries to find his place in the upper echelons of Edwardian society, through prep school, studies at Oxford, and his emergence into the wide world. The setting is rich in period detail, and the characters portrayed are vivid and more nuanced in their actions and stories than first impressions imply. *Sinister Street* was an immediate critical success on publication, although not without some worry for its openness to discuss less salubrious scenes, and it was a favourite of George Orwell and John Betjeman. Compton Mackenzie had attended both St. James' school and St. Mary's College at Oxford and the novel is at least partly autobiographical, but for the same measure was praised as an accurate portrayal of that experience; Max Beerbohm said "There is no book on Oxford like it. It gives you the actual

Oxford experience.” Although originally published in two volumes (in 1913 and 1914) for commercial reasons, the two form a single novel and have been brought back together again for this edition. This book is part of the Standard Ebooks project, which produces free public domain ebooks.
