The story of a great American Builder at the peak of his power, in the 1940s and 1950s, William Francis Gibbs was considered America's best naval architect. His quest to build the finest, fastest, most beautiful ocean liner of his time, the SS United States, was a topic of national fascination. When completed in 1952, the ship was hailed as a technological masterpiece at a time when **"made in America"** meant the best. Gibbs was an American original, on par with John Roebling of the Brooklyn Bridge and Frank Lloyd Wright of Fallingwater. Forced to drop out of Harvard following his family's sudden financial ruin, he overcame debilitating shyness and lack of formal training to become the visionary creator of some of the finest ships in history. He spent forty years dreaming of the ship that became the SS United States. William Francis Gibbs was driven, relentless, and committed to excellence. He loved his ship, the idea of it, and the realization of it, and he devoted himself to making it the epitome of luxury travel during the triumphant post-World War II era. Biographer Steven Ujifusa brilliantly describes

the way Gibbs worked and how his vision transformed an industry. *A Man and His Ship* is a tale of ingenuity and enterprise, a truly remarkable journey on land and sea. Two British men meet by chance in Berlin. Robert is trying and failing to finish his next book while balancing his responsibilities as a husband and father. Patrick, a recent arrival in the city, is secretive about his past, but eventually reveals that he has been ghostwriting the autobiography of a Russian oligarch. The oligarch has turned up dead, and Patrick claims to be a hunted man himself. Although Robert doubts the truth of Patrick's story, it fascinates him, and he thinks it might hold the key to his own foundering novel. Working to gain the other man's trust, Robert draws out the details of Patrick's past while ensnaring himself ever more tightly in what might be either a fantasist's creation or a lethal international plot. Through an elegant existential game of cat and mouse, Chris Power's *A Lonely Man* depicts an attempt to create art at the cost of empathy. Robert must decide what is his for the taking—and whether some stories are too dangerous to tell.

Krauss's depictions of the nuances of sex and love, intimacy and dependence, call to mind the work of Natalia Ginzburg in their psychological profundity, their intellectual rigor. . . . Krauss's stories capture characters at moments in their lives when they're hungry for experience and open to possibilities, and that openness extends to the stories themselves: narratives too urgent and alive for neat plotlines, simplistic resolutions or easy

answers.” —Molly Antopol, New York Times Book Review “From a contemporary master, an astounding collection of ten globetrotting stories, each one a powerful dissection of the thorny connections between men and women. . . . Each story is masterfully crafted and deeply contemplative, barreling toward a shimmering, inevitable conclusion, proving once again that Krauss is one of our most formidable talents in fiction.”

—Esquire In one of her strongest works of fiction yet, Nicole Krauss plunges fearlessly into the struggle to understand what it is to be a man and what it is to be a woman, and the arising tensions that have existed from the very beginning of time. Set in our contemporary moment, and moving across the globe from Switzerland, Japan, and New York City to Tel Aviv, Los Angeles, and South America, the stories in *To Be a Man* feature male characters as fathers, lovers, friends, children, seducers, and even a lost husband who may never have been a husband at all. The way these stories mirror one other and resonate is beautiful, with a balance so finely tuned that the book almost feels like a novel. Echoes ring through stages of life: aging parents and newborn babies; young women’s coming of age and the newfound, somewhat bewildering sexual power that accompanies it; generational gaps and unexpected deliveries of strange new leases on life; mystery and wonder at a life lived or a future waiting to unfold. *To Be a Man* illuminates with a fierce, unwavering light the forces driving human existence: sex, power, violence, passion, self-discovery, growing older. Profound, poignant, and brilliant, Krauss’s stories are at once startling and deeply moving, but always revealing of all-too-human weakness and strength. Santiago, an old Cuban fisherman, has gone 84 days without catching a fish. Confident that his bad luck is at an end, he sets off alone, far into the Gulf Stream, to fish. Santiago’s faith is rewarded, and he quickly hooks a marlin...a marlin so big he is unable to pull it in and finds himself being pulled by the giant fish for two days and two nights. about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. journalist's provocative and spellbinding account of her eighteen months spent disguised as a man. Norah Vincent became an instant media sensation with the publication of *Self-Made Man*, her take on just how hard it is to be a man, even in a man's world. Following in the tradition of John Howard Griffin (*Black Like Me*), Vincent spent a year and a half disguised as her male alter ego, Ned, exploring what men are like when women aren't around. As Ned, she joined a bowling team, took a high-octane sales job, went on dates with women (and men), visited strip clubs, and even managed to infiltrate a monastery and a men's therapy group. At once thought-provoking and pure fun to read, *Self-Made Man* is a sympathetic and thrilling tour de force of immersion journalism.

WHAT IT MEANS TO BE A MAN Raising up men has never been easy, but today it seems particularly tough. The young and old need heroes to embody the eternal qualities of manhood: honor, duty, valor, and integrity. In *The Book of Man*, William J. Bennett points the way, offering a positive, encouraging, uplifting, realizable idea of manhood, redolent of history and human nature, and practical for contemporary life. Using profiles, stories, letters, poems, essays, historical vignettes, and myths to bring his subject to life, *The Book of Man* defines what a man should be, how he should live, and to what he should aspire in several key areas of life: war, work, leisure, and more. "Whether we take up the sword, the plow, the ball, the gavel, our children, or our Bibles," says Bennett, "we must always do it like the men we are called to be." *The Book of Man* shows how. **#1 NEW YORK TIMES BESTSELLER** • A special 25th anniversary edition of the beloved book that changed millions of lives—with a new afterword by the

Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final “class”: lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

Una de las historias más grandes jamás contadas En Cuba, un viejo pescador ya en el crepúsculo de su vida, pobre y sin suerte, cansado de regresar cada día sin pesca, emprende una última y arriesgada travesía en busca de una gran pieza. Cuando al fin logra dar con ella, comienza una feroz lucha. Y el regreso a puerto, con el acoso de los elementos y los tiburones,

se convierte en una última prueba. Como un rey mendigo, coronado por su imbatible dignidad, el viejo pescador culmina finalmente su destino. En la cúspide de su maestría, Hemingway alumbró una historia en cuya sencillez vibra el clásico tema del valor ante la derrota, del triunfo personal sacado de la pérdida. El viejo y el mar lo confirmó como uno de los escritores más significativos del siglo XX, obteniendo el Premio Pulitzer y allanando su carrera hacia el Premio Nobel. ENGLISH

DESCRIPTION The Old Man and the Sea is one of Hemingway's most enduring works. Told in language of great simplicity and power, it is the story of an old Cuban fisherman, down on his luck, and his supreme ordeal -- a relentless, agonizing battle with a giant marlin far out in the Gulf Stream. Here Hemingway recasts, in strikingly contemporary style, the classic theme of courage in the face of defeat, of personal triumph won from loss. Written in 1952, this hugely successful novella confirmed his power and presence in the literary world and played a large part in his winning the 1954 Nobel Prize for Literature. "Of time-transcending value, this book is probably the most succinct and clearest statement of Thomistic political theory available to the English-language reader. Written during his exile from war-torn Europe, Man and the State is the fruit of Maritain's considerable learning as well as his reflections on his positive American experience and on the failure of regimes he closely encountered on the Continent."--Jude P. Dougherty, The Catholic University of America "The lectures that were the basis for Man and the State were delivered at the University of Chicago at a time when Maritain was still in the first enthusiasm of his participation in the 1948 Universal Declaration of Human Rights. He devotes particular attention to the concept of rights, since, historically, rights theories were fashioned to supplant the natural law theory to which Maritain as a Thomist gives his allegiance. Maritain provides an ingenious and profound theory as to how natural law and natural rights can be complementary. For this reason alone it

remains a fundamental contribution to political philosophy, but it is filled with other gems as well. Was Maritain too optimistic in his appraisal of modernity? Or have we unjustly lost the optimism that was his? *Man and the State* is an invitation to rethink the way we pose the basic questions of political philosophy."--Ralph McInerny, Jacques Maritain Center, University of Notre Dame

ABOUT THE AUTHOR Jacques Maritain (1882-1973), distinguished French Catholic philosopher and writer, was the author of more than fifty books. A preeminent interpreter of the thought of Thomas Aquinas, Maritain was a professor of philosophy at the Institut Catholique de Paris, Columbia University, and Princeton University. He served as French Ambassador to the Vatican from 1945 to 1948.

In 1995, on the thirtieth anniversary of Tanizaki Jun'ichiro's death, Adriana Boscaro organized an international conference in Venice that had an unusually lasting effect on the study of this major Japanese novelist. Thanks to Boscaro's energetic commitment, Venice became a center for Tanizaki studies that produced two volumes of conference proceedings now considered foundational for all scholarly works on Tanizaki. In the years before and after the Venice Conference, Boscaro and her students published an abundance of works on Tanizaki and translations of his writings, contributing to his literary success in Italy and internationally. *The Grand Old Man and the Great Tradition* honors Boscaro's work by collecting nine essays on Tanizaki's position in relation to the "great tradition" of Japanese classical literature. To open the collection, Edward Seidensticker contributes a provocative essay on literary styles and the task of translating *Genji* into a modern language. Gaye Rowley and Ibuki Kazuko also consider Tanizaki's *Genji* translations, from a completely different point of view, documenting the author's

three separate translation efforts. Aileen Gatten turns to the influence of Heian narrative methods on Tanizaki's fiction, arguing that his classicism, far from being superficial, "reflects a deep sensitivity to Heian narrative." Tzevetana Kristeva holds a different perspective on Tanizaki's classicism, singling out specific aspects of Tanizaki's eroticism as the basis of comparison. The next two essays emphasize Tanizaki's experimental engagement with the classical literary genres—Amy V. Heinrich treats the understudied poetry, and Bonaventura Ruperti considers a 1933 essay on performance arts. Taking up cinema, Roberta Novelli focuses on the novel *Manji*, exploring how it was recast for the screen by Masumura Yasuzo. The volume concludes with two contributions interpreting Tanizaki's works in the light of Western and Meiji literary traditions: Paul McCarthy considers Nabokov as a point of comparison, and Jacqueline Pigeot conducts a groundbreaking comparison with a novel by Natsume Soseki. An elderly gent goes shopping for a pet "I've paged through stacks of books on the history of watches. . . . But I hadn't come across a book that actually moved me until I picked up *A Man and His Watch*. The volume is filled with heartfelt stories." —T: *The New York Times Style Magazine*

Paul Newman wore his Rolex Daytona every single day for 35 years until his death in 2008. The iconic timepiece, probably the single most sought-after watch in the world, is now in the possession of his daughter Clea, who wears it every day in his memory. Franklin Roosevelt wore an elegant gold Tiffany watch, gifted to him by a friend on his birthday, to the famous Yalta Conference where he shook the hands of Joseph Stalin and Winston Churchill. JFK's Omega worn to his presidential inauguration, Ralph Lauren's watch purchased from Andy Warhol's personal collection, Sir Edmund Hillary's Rolex worn during the first-ever summit of Mt. Everest . . . these and many more compose the stories of the world's most coveted watches captured in *A Man and His Watch*. Matthew Hranek, a watch

collector and NYC men's style fixture, has traveled the world conducting firsthand interviews and diving into exclusive collections to gather the never-before-told stories of 76 watches, completed with stunning original photography of every single piece. Through these intimate accounts and Hranek's storytelling, the watches become more than just timepieces and status symbols; they represent historical moments, pioneering achievements, heirlooms, family mementos, gifts of affection, and lifelong friendships. He was an old man who fished alone in a skiff in the Gulf Stream and he had gone eighty-four days now without taking a fish. In the first forty days a boy had been with him. But after forty days without a fish the boy's parents had told him that the old man was now definitely and finally *salao*, which is the worst form of unlucky, and the boy had gone at their orders in another boat which caught three good fish the first week. It made the boy sad to see the old man come in each day with his skiff empty and he always went down to help him carry either the coiled lines or the gaff and harpoon and the sail that was furled around the mast. The sail was patched with flour sacks and, furled, it looked like the flag of permanent defeat. For forty years Charles Alavoine has sleepwalked through his life. Growing up as a good boy in the grip of a domineering mother, he trains as a doctor, marries, opens a medical practice in a quiet country town, and settles into an existence of impeccable bourgeois conformity. And yet at unguarded moments this model family man is haunted by a sense of emptiness and futility. Then, one night, laden with Christmas presents, he meets Martine. It is time for the sleeper to awake. In a classic work of alternate history, the United States is divided up and ruled by the Axis powers after the defeat of the Allies during World War II. Reissue. Winner of the Hugo Award for Best Novel. This companion to both series explores the shows' histories and influences. Includes interviews with cast members, creators and crew as well as complete episode guide. A sly, funny novel about an American girl trying to

make it in 1960s London—and discovering that she's in over head. In *The Dud Avocado*, Elaine Dundy revealed the life of the young expatriate in Paris in all its hilarious and heartbreaking drama. With *The Old Man and Me*, written when Dundy was living in England in the early 1960s, she tackles the American girl in London, a bit older but certainly no wiser. Honey Flood (if that's her real name) arrives in London with only her quick wits and a scheme. To get what she wants, she'll have to seduce the city's brightest literary star, no matter how many would-be bohemians she has to charm, how many smoky jazz clubs she has to brave, or how many Lady Something-Somethings she has to humor. But with success within her reach, Honey finds that in making the Soho scene, she's made a big mistake. *Traces a father and son journey around South America in a tiny boat they built together I have nothing against snakes, provided that they're hundreds of miles away from me. And I have nothing against my dad, given the same set of conditions. In a fit of questionable judgment, consummate indoorsman John Sellers tags along on a journey to search for snakes with his eccentric, aging father—an obsessive fan of Bob Dylan, a giver of terrible gifts, a drinker of boxed wine, a minister- turned-heretic, and, most importantly, the self-designated guardian of the threatened copperbelly water snake. The quest is their fumbling attempt to reconnect. Decades of bitterness, substance abuse, acrimonious divorce, and divergent opinions about personal hygiene have conspired to make the two estranged. Sellers has just begun to develop a new appreciation for the American wilderness, and all the slithering creatures that populate it, when his father's deteriorating health thwarts their mission and disturbs their tentative peace. Determined to finish what they started, he ventures back into the swamp— alone, but more connected to his dad than ever. With big-hearted humor and irreverence, *The Old Man and the Swamp* tells the story of a father who always lived on his own terms and the son who struggled to make sense of it all.*
