A History of the Mishnaic Law of Purities, Part 8 Jan 17 2020 The history of Jews from the period of the Second Temple to the rise of Islam. From 'A History of the Mishnaic Law of Appointed Times, Part 1' This volume introduces the sources of Judaism in late antiquity to scholars in adjacent fields, such as the study of the Old and New Testaments, Ancient History, the ancient Near East, and the history of religion. In two volumes, leading American, Israeli, and European specialists in the history, literature, theology, and archaeology of Judaism offer factual answers to the two questions that the study of any religion in ancient times must raise. The first is, what are the sources -- written and in material culture -- that inform us about that religion? The second is, how have we to understand those sources in reconstructing the history of various Judaic systems in antiquity. The chapters set forth in simple statements, intelligible to non-specialists, the facts which

the sources provide. Because of the nature of the subject and acute interest in it, the specialists also raise some questions particular to the study of Judaism, dealing with its historical relationship with nascent Christianity in New Testament times. The work forms the starting point for the study of all the principal questions concerning Judaism in late antiquity and sets forth the most current, critical results of scholarship.

Hosea--Micah Feb 27 2021 Interpretation: A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church. Planned and written specifically for teaching and preaching needs, this critically acclaimed biblical commentary is a major contribution to scholarship and ministry.

Analytical Concordance to the Bible on an Entirely New Plan Jul 15 2022

A Complete Concordance to the Revised Version of the New Testament Aug 24 2020

The Seven Sayings of Jesus on the Cross Mar 31 2021 Who of us can possibly imagine the excruciating pain of being crucified? But further, who would imagine that in the midst of this ghastly punishment that brings on unrelenting headaches and mental disorientation, a crucified man would actually give thought to the needs of others? This book explores in detail the nature of crucifixion and then invites the reader to listen in stunned silence to the amazing seven sayings of Jesus of Nazareth while hanging on the cross, as he focuses his attention on others in the first three sayings, and only then on his own distressing situation. His last four sayings give expression to his utter spiritual and physical anguish and conclude with a cry of victory and then a cry in which he commits himself to God.

A Study of Pauline Interpretation of Jesus' Ethical Sayings in 'Q' and its Significance in Today's Indian Context Jun 02 2021 The theme 'Jesus and Paul' is one of the classical topics of New Testament studies. Though Paul has shaped our impression of Jesus Christ, he says little about Jesus' sayings. However, in places where Paul makes use of Jesus' sayings, Paul interprets them in such a way that it fits into the new Sitz im Leben of the Christian community he writes to. This book aims to understand Paul as an interpreter of Jesus, so that it would help us to interpret the Bible in today's context.

The Shape of the Gospel Feb 10 2022 Most of the following essays reveal my interest in the significance of literary forms--both the short literary forms in the Gospels, such as pronouncement stories, and an entire Gospel as a formed narrative. I am interested in the significance of these forms, not just in literary classification systems I am interested in literary form as a clue to how the text may engage hearers and readers--impact their thought and life--if they are sensitive respondents. The Gospel stories have been shaped in ways that give them particular potentials for significant engagement. Study of literary form can help us recognize these potentials. --from the Introduction Contents Part I: Gospel Sayings and Stories 1 Tension in Synoptic Sayings and Stories 2 The Pronouncement Story and Its Types 3 Varieties of Synoptic Pronouncement Stories 4 Types and Functions of Apophthegms in the Synoptic Gospels 5 The Gospels and Narrative Literature 6 You Shall Be Complete--If Your Love Includes All (Matthew 5:48) Part II: The Gospel of Mark 7 The Disciples in Mark: The Function of a Narrative Role 8 The Gospel of Mark as Narrative Christology 9 Reading It Whole: The Function of Mark 8:34-35 in Mark's Story Part III: Paul's Gospel 10 Paul as Liberator and Oppressor: Evaluating Diverse Views of 1 Corinthians 11 Participation in Christ: A Central Theme in Pauline Soteriology

The Secret Sayings of Ye Su Nov 14 2019 The Secret Sayings of Ye Su: A Silk Road Gospel provides a translation of, introduction to, and commentary upon an extraordinary, previously unknown manuscript. This Christian gospel, though written in koine Greek, was obviously influenced by both Buddhist and Daoist ideas and probably derives from Tang dynasty China (8th or 9th century). The account of how the manuscript emerged in 1994 and how it came to be translated by Dr. Jay G. Williams is, in itself, quite fascinating. The author also describes the nature of the text and why he thinks it should be placed in the Tang dynasty period. He provides a concise introduction not only to the history of Buddhism and the indigenous religions of China during this

period but also to the "Religion of Light," a form of Christianity that entered China in 638 A. D. The work ends with a line-by-line commentary on each of the seventy-two verses of this gospel. Although undoubtedly ancient, the work seems amazingly contemporary in its ideas, offering a unique and quite radical vision of Ye Su (Jesus) and his teachings. Neither orthodox nor gnostic, The Secret Sayings comments about such topics as the place of women and gays within the community, the nature of the kingdom, and the source of Christian hope in the "Source." Although faith is emphasized, doctrines and dogmas are not. A place is found for both the Heavenly Father and the Earthly Mother but alone neither is regarded as "ultimate." The fellowship of believers is emphasized, but value of the Church as an institution is seriously questioned.

Jesus Research Dec 28 2020 This volume explores nearly every facet of Jesus research -- from eyewitness criteria to the reliability of memory, from archaeology to psychobiography, from oral traditions to literary sources, and from narrative criticism to Gospel criticism. Bringing together a wide variety of topics and perspectives in one volume, this ambitious collaborative enterprise casts light on important debates and encourages creative links between ideas new and old. This distinguished collection of articles by internationally renowned Jewish and Christian scholars originates with the Princeton-Prague Symposium on Jesus Research. It summarizes the significant advances in understanding Jesus that scholars have made in recent years, chiefly through the development of diverse methodologies. Even readers who are already knowledgeable in the field will discover unique angles from well-known New Testament scholars, and all will be brought up to speed on the current state-of-play within Jesus studies.

Death of the Desert Feb 16 2020 In the late fourth century, the world of Christianity was torn apart by debate over the teachings of the third-century theologian Origen and his positions on the incorporeality of God. In the year 400, Archbishop Theophilus of Alexandria convened a council declaring Origen's later followers as heretics. Shortly thereafter, Theophilus banished the so-called Tall Brothers, four Origenist monks who led monastic communities in the western Egyptian desert, along with hundreds of their brethren. In some accounts, Theophilus leads a violent group of drunken youths and enslaved Ethiopians in sacking and desecrating the monastery; in others, he justly exercises his episcopal duties. In some versions, Theophilus' violent actions effectively bring the Golden Age of desert monasticism to an end; in others, he has shown proper respect for the desert fathers, whose life of asceticism is subsequently destroyed by bands of barbarian marauders. For some, the desert came to be inextricably connected to violence and trauma, while for others, it became a site of nostalgic recollection. Which of these narratives subsequent generations believed depended in good part on the sources they were reading. In *Death of the Desert*, Christine Luckritz Marquis offers a fresh examination of this critical juncture in Christian history and brings into dialogue narrative strands that have largely been separated in the scholarly tradition. She takes the violence perpetrated by Theophilus as a turning point for desert monasticism and considers how monks became involved in acts of violence and how that violence came back to haunt them. More broadly, her careful attention to the dynamic relations between memory practices, the rhetorical constructions of place, racialized discourse, and language and deeds of violence speak to us in our own time.

The Comparative 1st Century Aramaic Bible in Plain English (8th ed.) & King James Version New Testament with Psalms and Proverbs Feb 22 2023 This is the 3rd comparative edition of the 8th edition translation of The Aramaic New Testament (Aramaic was the language of Jesus and his countrymen of 1st century Israel) in an English prose translation of The Peshitta New Testament displayed in two columns- one has the King James Version on the left and the other has the translation of the Aramaic Peshitta on the right. This translation is derived from the author's Aramaic-English Interlinear New Testament. Aramaic was used in Mel Gibson's film "The Passion of the Christ" to make the film as realistic and accurate as possible. This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of "Yeshua" ("Jesus" in ancient Aramaic) as He originally spoke them, in a literal and readable English rendering. 659 pages

in 6x9" paperback. The parallel Psalms and Proverbs of both versions are included after the NT.

Sacra Pagina: The Gospel of Luke Dec 08 2021 What makes this commentary on Luke stand apart from others is that, from beginning to end, this is a literary analysis. Because it focuses solely on the gospel as it appears and not on its source or origin, this commentary richly and thoroughly explores just what Luke is saying and how he says it.
