A boy doesn't automatically become a man at age 18. What differentiates a man from a boy is the way he lives. A man has a vision for his life while a boy lives day to day. A man is a team player while a boy wants to be MVP. A man works while a boy plays. A man has the courage to take a minority position while a boy wants the reassurance of the crowd. A man is a protector while a boy is a predator. These are the five marks of a man. It's not enough to just know them. A real man aggressively pursues them on a daily basis. Drawing from his own experience and the lives of others, pastor Brian Tome calls on men to examine themselves and take steps in the direction of a fully realized manhood that honors God, respects women, elevates others, and works purposefully for an end greater than their own satisfaction or pleasure. It's time for men to step into their honorable place in the world and lean into a new reality--one defined by strength, purpose, and honor. This book was born out of a series of weekly phone calls between Sam Eldredge, a young writer in his twenties, and his dad, best-selling author John Eldredge. Join the conversation as a father and son talk about pursuing beauty, dealing with money, getting married, chasing dreams, knowing something real with God, and how to find a life you can call your own. Killing Lions is more than fatherly advice. It is an invitation into a journey: either to be the son who receives fathering or the father who learns what must be spoken. Most important, these conversations speak to a searching generation: "You are not alone. Its not all up to you. You are going to find your way." Urban Apologetics examines the legitimate issues that Black communities have with Western Christianity and shows how the gospel of Jesus Christ—rather than popular, socioreligious alternatives—restores our identity. African Americans have long confronted the challenge of dignity destruction caused by white supremacy. While many have found meaning and restoration of dignity in the black church, others have found it in ethnocentric socioreligious groups and philosophies. These ideologies have grown and developed deep traction in the black community and beyond. Revisionist history, conspiracy theories, and misinformation about Jesus and Christianity are the order of the day. Many young African Americans are disinterested in Christianity and others are leaving the church in search of what these false religious ideas appear to offer, a spirituality more indigenous to their history and ethnicity. Edited by Dr. Eric Mason and featuring a top-notch lineup of contributors, Urban Apologetics is the first book focused entirely on cults, religious groups, and ethnocentric ideologies prevalent in the black community. The book is divided into three main parts: Discussions on the unique context for urban apologetics so that you can better understand the cultural arguments against Christianity among the Black community. Detailed information on cults, religious groups, and ethnic identity groups that many urban evangelists encounter—such as the Nation of Islam, Kemetic spirituality, African mysticism, Hebrew Israelites, Black nationalism, and atheism. Specific tools for urban apologetics and community outreach. Ultimately, Urban Apologetics applies the gospel to black identity to show that Jesus is the only one who can restore it. This is an essential resource to equip those doing the work of ministry and apology in urban communities with the best available information. How does a man know if he is a 'real man'? Suitable for groups or individuals, this guide covers all the major Bible teaching specific to men. Set within the big picture of God's redemption for sinners through Jesus Christ, the heart-felt aim of the authors i How to serve your wife, how to mold men through baseball, how to make men in the church and more practical theology for cultivating men of God who are doers of the Word for the sake of the Gospel. This book dismantles every mistruth that you've heard about the role of women in the Bible, her place in the church, and the patriarchal lie of so-called "biblical manhood and womanhood." In its place, Aimee Byrd details a truly biblical vision of women as equal partners in Christ's church and kingdom. The church is the school of Christ, commissioned to discipleship. The responsibility of every believer—men and women together—is being active and equal participants in and witnesses to the faith. And yet many women are trying to figure out what their place is in the church, fighting to have their voices heard and filled with questions: Do men and women benefit equally from God's word? Are we equally responsible in sharpening one another in the faith and passing it down to the next generation? Do we really need men's Bibles and women's Bibles, or can the one Holy Bible guide us all? The answers lie neither with radical feminists, who claim that the Bible is hopelessly patriarchal, nor with the defenders of "biblical manhood," whose understanding of Scripture is captive to the culture they claim to distance themselves from. Recovering from Biblical Manhood and Womanhood presents a more biblical account of gender, marriage, and ministry. It explores the feminine voice in Scripture as synergistic with the dominant male voice. It fortifies churches in a biblical understanding of brotherhood and sisterhood in God's household and the necessity of learning from one another in studying God's word. Until both men and women grow in their understanding of their relationship to Scripture, there will continue to be tension between the sexes in the church. Church leaders can be engaged in thoughtful critique of the biblical manhood and womanhood movement, the effects it has on their congregation, and the homage it ironically pays to the culture of individualism that works against church, family, and a Christ-like vision of community. Man up; it's the best thing you can do for others—and yourself Men are so busy doing so many different things; when not working, their free time is often full of the trivial or sinful. But what society and church so desperately need are men who embrace all that God created them to be, who long to follow God without limits and meet the needs of those around them without hesitation. To get there, we need what Pastor James MacDonald calls "radical surgery"—a deep, probing exploration and reparation of all that it means to be a man. In his definitive, bold voice, MacDonald calls men to be watchful, firm in their faith, strong, and loving. This isn't a call for bravado and bluster. It's a call for men to mix tender and tough, to be humble, to follow Jesus. It is a call to be leaders, men of God, husbands who are present and caring and strong. It is straight talk—no posturing or posing or beating around the bush—inviting men to redemption and restoration in their manhood. The best-selling book for men in the world...just got better! What does it mean to be a man? Moreover, how do you as a father instill that reality in your son? By Raising a Modern-Day Knight. The medieval custom of knighthood offers a unique approach to shaping a boy into a strong, godly man. Centuries ago, select boys went through a rigorous, years-long process of clearly defined objectives, goals, and ceremonies—with the hope of achieving knighthood. Along the way, they acquired a boldly masculine vision, an uncompromising code of conduct, and a noble cause in which to invest their lives. They were the heroes of their age. In much the same way, Raising a Modern-Day Knight will show how you, too, can confidently guide your son to the kind of authentic, biblical manhood that can change our world. Complete with ceremony ideas to celebrate accomplishments and ingrain them in the mind of a knight-in-training, this resource is as insightful as it is practical in raising a boy to be a chivalrous, godly man. The roles of men and women are immensely contested in both society and the church today. Christians are looking for answers from the Bible regarding how God intends for men and women to relate to one another. In this concise and accessible resource, well-known authors and Bible teachers John Piper and Wayne Grudem respond to fifty crucial questions often asked in relation to biblical manhood and womanhood. "Between the Christianity of this land, and the Christianity of Christ, I recognize the widest possible difference." —Frederick Douglass, 1845 The prophets of old were not easy to listen to because they did not flatter. They did not cajole. They spoke hard words that often chafed and unsettled their listeners. Like the Old Testament prophets, and more

recent prophetic voices like Frederick Douglass, Dr. Eric Mason calls the evangelical church to a much-needed reckoning. In a time when many feel confused, complacent, or even angry, he challenges the church to: Be Aware – to understand that the issue of justice is not a black issue, it’s a kingdom issue. To learn how the history of racism in America and in the church has tainted our witness to a watching world. Be Redemptive – to grieve and lament what we have lost and to regain our prophetic voice, calling the church to remember our gospel imperative to promote justice and mercy. Be Active – to move beyond polite, safe conversations about reconciliation and begin to set things aright for our soon-coming King, who will be looking for a WOKE CHURCH. 33 The Series: A Man and His Traps - Training Guide provides practical teaching, powerful testimonies, interviews and creative elements combine in this six session volume to help men avoid or escape the destruction that falling into the common manhood traps can bring. By the end of this must-read book, you will know how to intentionally release the power of God on the issues that matter most to you. You'll be able to walk with confidence in the one identity that matters most: The Christian Man. Somewhere along the way, our culture lost its definition of manhood, leaving generations of men and men-to-be confused about their roles, responsibilities, relationships, and the reason God made them men. It's into this "no man's land" that New York Times bestselling author Mark Batterson declares his mantra for manhood: play the man. In this inspiring call to something greater, he helps men understand what it means to be a man of God by unveiling seven virtues of manhood. Mark shares inspiring stories of manhood, including the true story of the hero and martyr Polycarp, who first heard the voice from heaven say, "Play the man." Mark couples those stories with practical ideas about how to disciple the next generation of men. This is more than a book; it's a movement of men who will settle for nothing less than fulfilling their highest calling to be the man and the father God has destined them to be. Play the man. Make the man. What's the most courageous thing you've ever done? The earthly crisis within manhood will be there until Jesus returns, but in Christ men are pointed toward the gospel as the vision for renewal. Manhood Restored by exciting new pastoral voice Eric Mason combines theological depth with practical insights, putting men in step with a gospel-centered manhood that will enrich every facet of their lives. Mason begins with The Scope of Manhood -- looking first at why God created man, at the divine differences between man and woman, and what should drive the purpose of a man during his time on earth. A section on The Problems in Manhood analyzes the false icons that lead to cultural caricatures of men -- the businessman, the thug, the playboy, the athlete, etc. Mason then makes a connection to the cross-cultural fatherhood crisis, looking at the things men do to fill the void when their relationship with dad or God is not there. Finally, The Redemption of Manhood sets Jesus as the true standard of biblical manhood, looking to his perfect example to redeem and restore a man's life in the areas of sexuality, home, and work.
