The New European Commentary is based upon the New European Version of the Bible. It provides a verse by verse exposition of the entire New Testament. It is written by Duncan Heaster, a Christadelphian missionary, and is therefore from a Unitarian, non-Trinitarian perspective. This volume covers the gospel of Matthew. This is a translation (8th edition-2013) of The Aramaic New Testament (Aramaic was the language of Jesus and his countrymen of 1st century Israel) in a literal English prose translation of The Peshitta New Testament. A translation of the Psalms & Proverbs from the ancient Peshitta OT Version is included at the end. This translation is derived from the author's Aramaic-English Interlinear New Testament and The Psalms & Proverbs interlinear. Aramaic was used in Mel Gibson's film "The Passion of the Christ" to make the film as realistic and accurate as possible. This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of "Yeshua" ("Jesus" in ancient Aramaic) as He originally spoke them, in a literal and readable English rendering. 389 pages paperback without notes November 11, 1918. The final hours pulsate with tension as every man in the trenches hopes to escape the melancholy distinction of being the last to die in World War I. The Allied generals knew the fighting would end precisely at 11:00 A.M, yet in the final hours they flung men against an already beaten Germany. The result? Eleven thousand casualties suffered—more than during the D-Day invasion of Normandy. Why? Allied commanders wanted to punish the enemy to the very last moment and career officers saw a fast-fading chance for glory and promotion. Joseph E. Persico puts the reader in the trenches with the forgotten and the famous—among the latter, Corporal Adolf Hitler, Captain Harry Truman, and Colonels Douglas MacArthur and George Patton. Mainly, he follows ordinary soldiers' lives, illuminating their fate as the end approaches. Persico sets the last day of the war in historic context with a gripping reprise of all that led up to it, from the 1914 assassination of the Austrian archduke, Franz Ferdinand,

which ignited the war, to the raw racism black doughboys endured except when ordered to advance and die in the war's last hour. Persico recounts the war's bloody climax in a cinematic style that evokes All Quiet on the Western Front, Grand Illusion, and Paths of Glory. The pointless fighting on the last day of the war is the perfect metaphor for the four years that preceded it, years of senseless slaughter for hollow purposes. This book is sure to become the definitive history of the end of a conflict Winston Churchill called "the hardest, cruelest, and least-rewarded of all the wars that have been fought." This is the 3rd comparative edition of the 8th edition translation of The Aramaic New Testament (Aramaic was the language of Jesus and his countrymen of 1st century Israel) in an English prose translation of The Peshitta New Testament displayed in two columns- one has the King James Version on the left and the other has the translation of the Aramaic Peshitta on the right. This translation is derived from the author's Aramaic-English Interlinear New Testament. Injured during a pre-season practice session, pro football running back Julian Lloyd is subjected to a radical new medical treatment--one that is not approved for humans. Original. The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. This is a rare New Testament (3rd edition) from the Aramaic language of Jesus and his countrymen of 1st century Israel in a prose English translation . Aramaic was used in Mel Gibson's film "The Passion of the Christ" to make the film as realistic and accurate as possible. This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of "Eeshu" (Pronunciation of 'Jesus' in ancient Aramaic) as He originally spoke them, in a literal yet idiomatic English rendering. Much evidence is presented in notes demonstrating very powerfully that The Peshitta Aramaic NT is the original behind The Greek NT. There are many graphics and even photos from Dead Sea Scrolls to illustrate an Aramaic verse and how a reading was interpreted by a Greek translating the text, making this a unique scholarly study Bible in elegant Lucida Calligraphy font.539 pages 6x9" Black & White;hardbound. A study on the 7-faceted nature of God (and man) according to Scripture. The presence of God appeared before them in their home and lasted for three days. By the third day God had changed the lives of all in the family, including that of a visitor! He showed them great mysteries and events that would soon take place in the world; He then asked them to "go and tell everybody" what they had seen. Before this event Mr. & Mrs. Okafor had little or no time for things of God. Today, the story is different. "The end of all things is here and we must help warn the people" the author says. "...This message is appealing, loving, down to earth and URGENT... I recommend this book to you for reading and...for taking appropriate action." Rt. Rev. S.C.N. Ebo Bishop of Okigwe/Orlu Diocese Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity. Wouldn't Mind Dying, If Dying Was All By: Apostle Annie Davis/Duncan Teaching the words of the bible for over twenty years, Annie Davis's mother was her inspiration and teacher. Through her muse, Davis hopes that readers enjoy her story and get an understanding of what the words of God are telling us. With Annie Davis's words, this book could change someone's life for the better and give a positive outlook on life's journey. This book was written to reestablish the true principles of Christianity according to the teaching of Jesus Christ. It will explain how and why the Holy Bible became a book. It will also explain how a Christian should view this book. It will also show you how all these pseudo-Christian organizations came about. It will give you a brief history of the first stage of God's plan, starting with Moses. Its purpose is to inform you how to view this book called the Holy Bible. According to the dictionary, a Christian should believe in Jesus as the Messiah and should base their religious beliefs on his teachings. A biblicist is an expert on the Bible or a person who interprets the Bible literally. The Christian community today is biblicist, not Christian, and are actively spreading their form of Christianity all over the world. The Message, restoring Christianity, is designed to narrowing Christian beliefs to the teachings of Jesus. If all churches would follow this simple rule, there would be no Jehovah's witnesses, Baptists, Mormons, or any other biblicist sect; there would only be one church following the teachings of Jesus. If you view the Bible correctly, it can't confuse you. The Bible should be broken down into five separate sections. The first is the Old Testament; this is the Jewish Bible. The second sections are the Gospels, Matthew, Mark, Luke, and John. This is the only place you will find the teachings of Jesus. The third section is a book called Acts and it describes what happened to some of the apostles after the death of Christ. The fourth sections are letters mostly written by a man named Paul. And the last section or fifth section is a book called Revelations, which describes the end of the world. If the Bible is viewed like this, then it can misguide you religiously. I hope you find it interesting and informative.
