What do a high end brothel, a sexy womanizing lawyer and demanding stranger have in common? Delilah Jameson. It's time for this art gallery owner to put on her big girl panties and choose wisely. [Siren LoveXtreme Forever: Erotic Romance, Menage, Romantic Suspense, Contemporary, Small Town, Law Enforcement, MFMMMM, HEA] Naomi is an entrepreneur who has made a lot of money on her own despite her ex-lover trying to steal it all from her. She doesn't trust easily, but she's a sensual woman and she isn't against giving romance another try. When she meets the Law men, Forester, Brendon, Cody, Rome and Mercury at different times and feels the same strong connection, she's intimidated by this menage idea and shies away from them. Fate has a way of making things happen, and when a stalker tries to make an aggressive move, they are there to intervene. One thing leads to another and soon she can't fight the power of a menage or the enticing charisma of the five brothers working together to break her down. When her ex returns to hurt her they see red and they save her. Not only by stopping him from his assault but by destroying his criminal business and getting him off her case forever. They assumed the danger was over, and shockingly, she becomes a victim once again, and they must use their connections, their town, and all their resources to find her before it's too late. Dixie Lynn Dwyer is a Siren-exclusive author. Bored with the Social world of London and the constant demands of the lovelorn Prince of Wales, the Marquis of Aldridge takes refuge at his remote country estate, Ridge Castle, deep in the 'Witch Country' of Essex. Riding through a village close to The Castle he comes upon a mob of villagers dragging the unconscious body of a young woman to the duck pond. Convinced she is a witch, they are bent on putting her to the ultimate test. If she drowns she is innocent. If she floats she is evil and must die! Rescuing the young waif and installing her at his castle, the Marquis is convinced that this raven-haired, blue-eyed beauty, whose name is Idylla, is far too lovely - too innocent - to be a witch. Nevertheless, he falls helplessly under her spell - and as he uncovers the murderous plot that brought her to him, he also discovers a love beyond anything he imagined possible. Adrian Rizzo didn't have the easiest childhood, to put it mildly, but she's worked hard to put it behind her and to the outside world she is a beautiful young woman with a successful, high-profile career and a wonderful family and friends. When, out of the blue, she receives a death threat in the post, she is shocked but puts it down to someone's jealousy of her success and tries to forget about it. But Adrian doesn't realise that it's more than just spite. Someone is very, very angry about her happy life and will stop at nothing to bring it all crashing down. From USA TODAY Bestselling Author Claudia Burgoa comes a single-dad sports romance where the only thing more heartfelt than the small town is the love story. I never wanted to go back to Baker's Creek. But when it rains, it pours. I lost my job, lost the guy, and lost the house. The perfect trifecta of ruin. Ten years after I said I can make it on my own, I have no choice but to ask for help. But it's my mother who needs me now... So it's back to where I don't belong. There's no opportunity in my hometown. The only job that I can get is nannying. For a player from the Vancouver Orcas. "Mean" Mills Aldridge is going to be my new boss... and I'm supposed to pretend he isn't sex on skates. Between avoiding the town mean girls, helping my parents, and trying not to behave like a puck bunny, my job with that sweet boy is fast becoming just like the rest of my life--one big complication. My only escape is my late-night chats with Mills. The confessions we share make me feel like I belong. The stolen kisses make it hard to remember why I ever left. Until the opportunity I've been waiting for arrives, and it's time for me to say goodbye. But can I leave that little boy and his father behind? The Baker's Creek Billionaire Brothers series is a romantic comedy saga that's swoonful and sexy, with the right mix of ugly-cry moments and sweet seductions. A pitch-perfect rural romance of community and family from the bestselling author of *Bottlebrush Creek*. 'A ripping good read...Maya's deep understanding of living in country Australia and down-to-earth good humour gives her story great authenticity...We can't wait for the next book to find out what happens to another member of the McIntyre sisterhood.' - Australian Country on *Bottlebrush Creek* 'Maya's books reek of authenticity and celebrate everything that's wonderful about small-town living' - Cassie Hamer, top 10 of 2021 Bush nurse Lara McIntyre and journalist Toby Paxton are thrust into the limelight when an accident puts the beating heart of their community in jeopardy. The small country town of Bridgefield can't manage without their general store and post office, but Lara can't stomach the idea of out-of-town buyers revamping it with no regard for what the residents want or need. She's also unsure about where Toby's allegiances lie in this fight. Loyalties are put to the test as the locals attempt to save the shop, with personal agendas, old grudges and misunderstandings threatening their best efforts. Featuring a black-tie ball, a fun run, a magpie called Vegemite and a snake-chasing kelpie called Basil, Magpie's Bend is a story about rural lives, family, love and letting go.
