happens in Filomena Jefferson-Cho's sleepy little suburban town of North Pasadena. The sun shines every day, the grass is always a perfect green, and while her progressive school swears there's no such thing as bullying, she still feels bummed out. But one day, when Filomena is walking home on her own, something strange happens. Filomena is being followed by Jack Stalker, one of the heroes in the Thirteenth Fairy, a series of books she loves about a brave girl and her ragtag group of friends who save their world from an evil enchantress. She must be dreaming, or still reading a book. But Jack is

insistent—he's real, the stories are real, and Filomena must come with him at once! Soon, Filomena is thrust into the world of evil fairies and beautiful princesses, sorcerers and slayers, where an evil queen drives her ruthless armies to destroy what is left of the Fairy tribes. To save herself and the kingdom of Westphalia, Filomena must find the truth behind the fairytales and set the world back to rights before the cycle of sleep and destruction begins once more. In 1881, the scrappy, rough-and-tumble baseball team in a California

mining town enlists the help of a quick-witted twelve-year-old orphan and the notorious outlaw Billy the Kid to win a big game against the National League Champion Chicago White Stockings. Prequel to: The boy who saved baseball. Thought and Poetic Structure in San Juan de la Cruz's Symbol of Night is a comprehensive appraisal of the traditional critical perspectives of mysticism: philosophical, theological, literary, and psychological. Examining the a priori limitations of these approaches, the book presents an original definition of the symbol as an integral whole of experience and

expression, and concludes that night is the form - the organizing principle - of spiritual life. Each of the book's five chapters evokes a colonial Mexican cultural and intellectual sphere: the library, anatomy and medicine, spirituality, classical learning, and publishing and printing. Using an array of literary texts and historical documents and alongside secondary historical and critical materials, the author Stephanie Kirk demonstrates how Sor Juana used her poetry and other works to inscribe herself within the discourses associated with

these cultural institutions and discursive spheres and thus challenge the male exclusivity of their precepts and precincts. Kirk illustrates how Sor Juana subverted the masculine character of erudition, writing herself into an all-male community of scholars. From there, Sor Juana clearly questions the gender politics at play in her exclusion, and undermines what seems to be the inextricable link previously forged between masculinity and institutional knowledge. Sor Juana Inés de la Cruz and the Gender Politics of Knowledge in Colonial Mexico opens up new

readings of her texts through the lens of cultural and intellectual history and material culture in order to shed light on the production of knowledge in the seventeenth-century colonial Mexican society of which she was both a product and an anomaly. This is a close reading of selected poetic, dramatic, and prose works by Sor Juana Inés de la Cruz (1651-1695), with the intent of elucidating ways in which this important colonial Mexican intellectual and literary figure created a textual self through her writing. The book analyzes Sor Juana's complex, varied, and

strategic process of literary self-fashioning, the self-promotional and self-protective functions that it served, and its consequences for readers of her and subsequent generations. The book situates its readings of Sor Juana's work against the background of the arc of her career - its ascent in the 1680s, to its descent and disintegration in the 1690s. The book does not try to reassemble the life of a literary figure, rather, it explores the traces of that figure's process of literary self-fashioning contextually and over time. Illustrated. Schuyler Van Alen

la Cruz's vampire mythology, set against the glitzy backdrop of New York City, is a juicy and intoxicating read. author of *Over the Wall and Choosing Up Sides* comes this imaginative tale of one boy's struggle to preserve the spirit of the game he loves. María Baranda and Paul Hoover present revitalized translations of some of the most beloved poems of the Golden Age of Spanish literature. In 1578, during months of imprisonment for his reformist beliefs, San Juan de la Cruz composed a series of narrative poems inspired by the Biblical Song of Songs—and, the story goes, a popular love song overheard from his cramped cell—that take God as the beloved. Erotically charged, initially scandalous, his

mystical poetry engages with the journey of the soul through the darkest trenches of suffering and despair toward an enlightened spiritual connection with God. For hundreds of years, these poems have resonated deeply with those who search for meaning in the dark, and have influenced generations of poets, artists, and philosophers. This bilingual edition of the *Complete Poems*—including “Dark Night” and both the Sanlúcar and Jaén manuscripts of “Spiritual Canticle”—presents an intimate and exceptionally collaborative new translation from María Baranda and

Paul Hoover. Baranda, one of the most distinguished Mexican poets of her generation, lends her deft hand with expansive, meditative poetry. Hoover—the accomplished American poet, editor, and translator—offers his dexterity with form and the possibilities of language. The product is uniquely faithful to image and idea, and loyal to the ecstatic lyricism of this canonical text. A volume that hums with the soul's longing to find solace, *The Complete Poems of San Juan de la Cruz* is a collection to be treasured. The interest in Mexican Hieronimite nun, Sor Juana Ines de la

Cruz (1648-1695) is reaching extraordinary new levels. She has been the subject of plays, a feature film, scholarly conferences, books and articles. Nobel Laureate, poet Octavio Paz, has called her one of the great poets of the Spanish language and considers her Response to Sor Philotea de la Cruz to be the first intellectual autobiography in the Hispanic world. At her death in 1695, Sor Juana was an internationally-known poet, dramatist and religious writer. Today, she is still considered an exceptional lyric poet and one of the great writers of

Spain's siglo de oro, its Golden Age of drama. Included here are: religious songs and devotional poetry; Sor Juana's sacramental drama and preface play, Divine Narcissus; two devotional works (first English translation), Devotional Exercises for the Feast of the Incarnation and Offerings for the Sorrows of Our Lady; a theological disputation, Critique of a Sermon/Athenagoric Letter and her autobiographical Response to Sor Philotea de la Cruz. Sor Juana Ines de la Cruz: Selected Religious Works in the Classics of Western Spirituality Series is essential reading for those

interested in great literary figures, religious studies and women's history. Latin America's great poet rendered into English by the world's most celebrated translator of Spanish-language literature. Sor Juana (1651-1695) was a fiery feminist and a woman ahead of her time. Like Simone de Beauvoir, she was very much a public intellectual. Her contemporaries called her "the Tenth Muse" and "the Phoenix of Mexico," names that continue to resonate. An illegitimate child, self-taught intellectual, and court favorite, she rose to the height of fame as a writer in

Mexico City during the Spanish Golden Age. This volume includes Sor Juana's best-known works: "First Dream," her longest poem and the one that showcases her prodigious intellect and range, and "Response of the Poet to the Very Eminent Sor Filotea de la Cruz," her epistolary feminist defense—evocative of Mary Wollstonecraft and Emily Dickinson—of a woman's right to study and to write. Thirty other works—playful ballads, extraordinary sonnets, intimate poems of love, and a selection from an allegorical play with a distinctive New World flavor—are also included. "A

heartwarming, sparkling romantic comedy about what happens when what your heart wants and what your parents want don't match...Melissa de la Cruz enchants and delights in her usual style. Completely unputdownable!" —Sandhya Menon, New York Times bestselling author of *When Dimple Met Rishi* "A refreshingly modern love story, *29 Dates* serves up a funny and heartfelt rom-com about finding love and figuring out life on your own terms." —Maurene Goo, author of *I Believe in a Thing Called Love* and *The Way You Make Me Feel* How many dates will it take to find The One? compared to Game of Thrones continues in this sequel to Frozen! Nat and her drakon are the last of their kind—sworn to protect what their enemies seek to control—and she's risked her life for their reunion. But fighting for the majestic Blue meant saying goodbye to Wes, breaking both their hearts. Back in New Vegas, citizens are threatened by the resurgence of magic and declare war on all the marked. Wes and his team travel to the extravagant indoor city of El Dorado looking for his sister, but when they are caught on the wrong side of the RSA's strict new laws, Wes is forced to do the

unthinkable—surrender and rejoin the military's quest to uncover the magical source, the same land Nat is struggling to protect. Now he and Nat find themselves on opposing sides of a war that could potentially destroy what's left of the world. "As fearless as a futuristic Game of Thrones." —Margaret Stohl "A thought-provoking novel, part epic fantasy and part social commentary." —Entertainment Weekly on Frozen: Heart of Dread, Book One This book maps the field of seventeenth-century women's writing in Spanish, English, and French and situates the work of Sor Juana

more clearly within that field. It holds up the multi-layered, proto-feminist writings of Sor Juana as a meaningful lens through which to focus the literary production of her female contemporaries. Merrim's book advances the integration of Hispanic women authors and women's issues into the panorama of early modern women's writing and opens up unexplored commonalities between Sor Juana and her sister writers. Early modern women writers whose works are explored include Marie de Gournay, Margaret Fell Fox, Catalina de Erauso, Maria de

Zayas, Ana Caro, Mme de Lafayette, Anne Bradstreet, St. Teresa, and Margaret Lucas Cavendish. Merrim's study provides a full-bodied picture of the resources that the cultural and historical climates of the seventeenth century placed at the disposal of women writers, the manners in which women writers instrumentalized them, the building blocks and concerns of early modern women's writing, and the continuities between early modern and modern women's writing. Written in an engaging, clear manner, this innovative study will be of interest not only to

Hispanists but also to scholars in early modern studies, women's studies, history, and comparative literature. The action-packed finale to the series Entertainment Weekly calls, "part epic fantasy and part social commentary . . . addictive." Recast the spell. Light the flame. Make the world anew. With the ruins of New Kandy still smoldering around them and Nat's bond to her beloved drakon quickly fraying, Nat and Wes are lost amid a sea of destruction—with Wes at death's door. Wes tried to save his sister, Eliza, and protect them from her cruelty, only to see

firsthand just how dark her power had become. Desperate to escape the dangers lurking in New Kandy, Wes accepts help from a mysterious voice calling out to him from the Blue, leading Nat and his crew into even more perilous surroundings. They quickly realize that their only chance for survival lies with Nat and the quest for a new world to replace their broken one—but at what cost? In this epic conclusion to the Heart of Dread trilogy, Nat and Wes must put their love to the ultimate test in hopes of seeing their world reborn. They say it's a paradise, where the sun still shines and the waters are turquoise. More importantly, it's a place where Nat won't be persecuted, even if her darkest secret comes to light. But passage to the Blue is treacherous, if

not impossible, and her only shot is to bet on a ragtag crew of mercenaries led by a cocky runner named Ryan Wesson there. Danger and deceit await on every corner, even as Nat and Wes find themselves inexorably drawn to each other. But can true love survive the lies? Fiery hearts collide in this fantastic tale of the evil men do and the awesome power within us all. This is a remarkable first book in a spellbinding new series about the dawn of a new kind of magic. Most surprising of all, Jack Force, the hottest boy in school, starts showing a sudden interest in her. Schuyler wants answers, but is she prepared to learn the truth...especially when she discovers her part in it? The sexy and secretive world of the Blue Bloods comes to life in this stunning

graphic novel adaptation of Book One in Melissa de la Cruz's internationally best-selling series. In 1942, at the height of World War II, the Japanese invasion of the Philippine Islands, force the Americans commanded by General Douglas MacArthur, to withdraw from the Philippines leaving behind many Americans and pro-American Filipinos. Several of the abandoned Americans and the pro-American Filipinos are captured and imprisoned in various detainee camps throughout the Philippines. Those pro-American Filipinos not imprisoned, through guerrilla

activities, try to sabotage the Japanese military government. One of these brave and fearless individuals, Carlos Malonso, creates his own radio station called The Voice of Juan de la Cruz. His broadcasts supply information about pro-American war events and disseminate anti-Japanese propaganda. He stays one step in front of the pursuing Japanese by moving his make-shift radio station from place to place. After evading the Japanese for several months, Carlos is finally captured. His story is one of courage, dedication to his country, loyalty to his beliefs, and

unbelievable resilience to the torture inflicted on him while incarcerated at Fort Santiago. This story, as told through the eyes of a fellow cellmate, will leave you sitting on the edge of your seat as you experience Carlos's life at Fort Santiago before and after his capture. During his one and only return visit to the Philippines, Johnny de la Cruz-plagued by a sense of isolation-succumbs to a quick sexual encounter with an old flame, the attractive and beguiling Bunny Pina. Years later, nineteen-year-old Winston Pina has barely finished eulogizing his recently deceased mother when he

finds a letter she wrote, but never sent, to Johnny. This leads Winston into the lives of the de la Cruz family—a family to which he might or might not belong. When the de la Cruz Family Danced explores the ties within family and how they are affected by circumstances of birth, immigration, and assimilation. This book presents a unique set of written records belonging to the De la Cruz family, caciques of Tepemaxalco in the Toluca Valley. Composed in Nahuatl and Spanish and available here both in the original languages and in English translation, this collection of documents opens a

window onto the life of a family from colonial Mexico's indigenous elite and sheds light on the broader indigenous world within the Spanish colonial system. The main text is a record created in 1647 by long-serving governor don Pedro de la Cruz and continued by his heirs through the nineteenth century, along with two wills and several other notable documents. These sources document a community history, illuminating broader issues centering on politics, religion, and economics as well as providing unusual insight into the concerns and values of indigenous leaders. These texts detail

the projects financed by the De la Cruz family, how they talked about them, and which belongings they deemed important enough to pass along after their death. Designed for classroom use, this clear and concise primary source includes a wealth of details about indigenous everyday life and preserves and makes accessible a rich and precious heritage.
