Elegance in Science Jul 28 2020 The idea of elegance in science is not necessarily a familiar one, but it is an important one. The use of the term is perhaps most clear-cut in mathematics - the elegant proof - and this is where Ian Glynn begins his exploration. Scientists often share a sense of admiration and excitement on hearing of an elegant solution to a problem, an elegant theory, or an elegant experiment. The idea of elegance may seem strange in a field of endeavour that prides itself in its objectivity, but only if science is regarded as a dull, dry activity of counting and measuring. It is, of course, far more than that, and elegance is a fundamental aspect of the beauty and imagination involved in scientific activity. Ian Glynn, a distinguished scientist, selects historical examples from a range of sciences to draw out the principles of science, including Kepler's Laws, the experiments that demonstrated the nature of heat, and the action of nerves, and of course the several extraordinary episodes that led to Watson and Crick's discovery of the structure of DNA. With a highly readable

selection of inspiring episodes highlighting the role of beauty and simplicity in the sciences, the book also relates to important philosophical issues of inference, and Glynn ends by warning us not to rely on beauty and simplicity alone - even the most elegant explanation can be wrong.

Elegance in Abandonment: The Art of Dying: photos, poems, prose by Seashellspells Mar 24 2020

“In what I thought would be the end of my life and destruction of everything I had worked for actually been the catalyst to my finest creations. I experienced the most tumultuous episodes a person can endeavor; you name it, I went through it; again and again I hit metaphorical rock bottom until my mind was a pulverized mush. Sitting there, in the silence and solitude of my dark corner, I wondered if it was karma or some practical joke that the in asylums where I chose to spend my free time, I became a prisoner of both body and mind. When I wasn't equipped with my camera, I had my words. What you'll see and read in Elegance in Abandonment is the outcome of those experiences.”

French Interiors Sep 22 2022 Christiane de Nicolay-Mazery, a specialist in furniture and antiques at Christies and Honelon, invites her readers to enter the elegantly luxurious interiors of some of France's most exclusive abodes. From the classic taste of the seventeenth and

eighteenth centuries to the creativity of the nineteenth century, she traces the path to the finesse of the twentieth century, which combines tradition and modernity. The interiors portrayed in these nine exquisitely illustrated chapters pay tribute to the refinement of French taste, a savoir-faire that has been continually renewed. Classic hôtels particuliers in the heart of Paris and romantic châteaux, as well as a surprising isba--a traditional rural log house in the Russian style--are but a few of the examples of the kinds of interiors that will inspire readers as they marvel over the art of French designers, including Madeleine Castaing, Hubert de Givenchy, Yves Saint Laurent, Jacques Grange, François Joseph Graff, and Pierre Bergé. Unlike most books on French style on the market, this book is not only a testimony to timeless French elegance, it is an invitation to discover a synthesis of contemporary and classic décor, in some of France's most exclusive residences, firsthand.

Embracing Elegance, 1885-1920 Aug 29 2020 Catalog of an exhibition held at the Hood Museum of Art, June 11-Sept. 4, 2011, and at the High Museum of Art, Sept. 24-Nov. 27, 2011.

Forgotten Elegance Feb 15 2022 For collectors of 19th-century silver and china, or people interested in the etiquette of the period, the Schollanders draw from old

etiquette books and other sources to explain how to entertain in proper Victorian style, with authentic menus to taste.

An Elegance of Line Jul 20 2022

The Art of Elegance Nov 24 2022 Marshall Watson's first book reveals how to make traditional interiors fresh. Known for his meticulously researched, European-inspired style, Marshall Watson creates interiors that are rich in texture, detail, and simple luxuries. In his first book, Watson shares his finest work, demonstrating that while each of these homes is as unique as its owner, they all adhere to principles that transform a mere series of spaces into a genuine, coherent home: warmth; light; peace; comfort; balance; proportion; livability; and last but not least, appropriateness. Whether in an Italianate villa in Los Cabos or a family idyll on a Swedish island, a Gramercy Park apartment that blends shimmer and restraint, or a Newport Beach cottage warmed by walls finished in egg-yolk yellow, Watson explains how he translated each family's lifestyle and aspirations, the house's history, and the surrounding environment into a highly original form of elegance—and how anyone can discover his or her own. Beautifully photographed with lavish images of Watson's work, this inspiring book is a must-have for interior design lovers.

Edo Rinpa A fascinating book on the elegant paintings of birds and flowers in Edo-Rinpa painting The Rinpa school is one of the historical schools in Japanese painting established in 17th century Kyoto. Later in 19th century Edo (old Tokyo), Hoitsu Sakai, who worshiped and was influenced by Korin Ogata, revived this genre with his elegant, poetic and refined taste. This book showcases not only the most popular works of the Edo-Rinpa style but also features unique and innovative works from Kiitsu Suzuki, Hoitsu Sakai's own disciple, and shows how Rinpa style has been passed on to the modern painters such as Shunso Hishida and Sekka Kamisaka. Written by Momo Miyazaki, a specialist in Edo period painting and the curator of The Museum Yamato Bunkakan, this book will be an informative must have treasury book for Japanese art lovers, creators, and artists.--Momo Miyazaki

Natural Elegance Jan 02 2021 The refined rustic style of WRJ, the preeminent interior design firm in the Mountain West Natural Elegance showcases the award-winning interiors of WRJ Design, headquartered in Jackson Hole, Wyoming, and led by Rush Jenkins and Klaus Baer. The firm's homes are set against the backdrop of dramatic

western landscapes from the Rockies to the Pacific. Their interiors are infused with a unique elegance--one versed in the beauty of the wilderness combined with sophisticated contemporary design. Juxtaposing a warm palette with rugged elements, they create homes that have a deep connection to the natural world just outside the windows. Illustrated with photographs by the masterly William Abranowicz, the book features more than a dozen gloriously sited houses decorated in WRJ's signature rustic yet refined style.

Geisha Mar 16 2022 Japan's geisha have fascinated and allured westerners for centuries. But just who are geisha? This book delves into their lives and history with detailed coverage of their training, their costumes, and the intricate world of tradition in which they live and work. This finely illustrated book looks at the gradations of rank, clothing, and makeup, as well as the subtle changes of geisha appearance through the seasons. It explores the network of dance schools, teahouses, temples, offices and traditional crafts, with calligraphers, dyers, and sake warmers among the many occupations serving in the hanamachi or "flower towns," as geisha districts are known. The geisha craft itself draws on an array of traditional Japanese arts: dance, tea ceremony, traditional music, and games, all in the service of leisure. This book explains how this complex and often misunderstood world evolved, how it fits into modern

Japan, and how it is adapting in order to survive there.--From publisher description.

Quiet Elegance Apr 17 2022 - First complete overview of Eleanor Moty's oeuvre - Masterful compositions with gems and metalwork - Six decades of jewelry from America Eleanor Moty (b. 1945) from the US is a seminal figure in the field of contemporary international studio jewelry. In a career that has spanned more than

50 years, she has been both a dedicated practitioner and a devoted teacher who has inspired succeeding generations of artists, collectors, and fellow professionals. She began to attract national attention in the late 1960s and early 1970s for her experiments with photoetching and electroforming metal. Later, mid-career, Moty made what seems like an abrupt shift in style and focus, with more abstract works whose designs were inspired by the natural inclusions within the non-precious gems used in their fabrication. While her works have been published in prominent books, catalogs, and journals internationally, this monograph is the first comprehensive in-depth examination of her career from its inception in 1967 through the present day.

A Token of Elegance Jun 26 2020 - At once an important social history of tobacco and smoking and a beautiful coffee table book, *A Token of Elegance* is ideal for art and design historians, history students, museum professionals, and collectors- Of great interest to jewelry historians as many cigarette holders were made for their international clientele by the major jewelry firms and this is the first book where so many cigarette holders are catalogued and photographed The book offers an unprecedented look at cigarette holders through a selection of approximately 125 pieces from the collection of Carolyn Hsu-Balcer. Its introductory essay is both a social history of that world-changing leaf, tobacco, and a

design history of its accoutrements. It examines the history of smoking from its pre-Columbian roots in the Americas through to the present-day worldwide e-cigarette craze, taking the reader on a journey from tobacco smoking as a sacred ritual, through the controversies of its worldwide spread, and the machine-rolled cigarette's role in the world wars and as a tool for European and American women's equality. Following the illustrated essay is a luxurious catalogue of newly commissioned photography that makes these diminutive objects pop off the pages with brilliant color and form. The collection includes cigarette holders in their simplest incarnations - the disposable promotional holders given away at trendy New York nightclubs - to their most exquisite - the work of Fabergé, Cartier, Tiffany, Van Cleef & Arpels and other renowned jewelers of the late nineteenth and twentieth centuries. Contents: Foreword by Carolyn Hsu-Balcer; Introduction; Chapter 1: Tobacco's Journey from the New World to the Old: Medicine and Pleasure; Chapter 2: The Rise of Cigarette Culture: The Nineteenth and Early Twentieth Centuries; Chapter 3: Smoking, Sociability, and a New Modern Era: From the First World War to the Second; Chapter 4: The Cigarette Holder's Peak and Fall: A New Culture of Smoking; Catalog; Appendix: Materials Used in Cigarette Holders; Acknowledgments; Photo Credits.

The Art of Grace: On Moving Well Through Life Apr 05 2021 "Sarah Kaufman offers an old-fashioned cure for a modern-day ailment. The remedy for our culture of coarseness is grace...This is an elegant, compelling, and, yes, graceful book." —Daniel H. Pink, author of Drive In this joyful exploration of grace's many forms, Pulitzer Prize-winning critic Sarah L. Kaufman celebrates a too-often-forgotten philosophy of living that promotes human connection and fulfillment. Drawing on the arts, sports, the humanities, and everyday life—as well as the latest findings in neuroscience and health research—Kaufman illuminates how our bodies and our brains are designed for grace. She promotes a holistic appreciation and practice of grace, as the joining of body, mind, and spirit, and as a way to nurture ourselves and others.

Elegance and Refinement Jan 22 2020 The paintings of Willem van Aelst (1627–1683) are known for their fine finish, innovative compositions, sumptuous subject matter, and rich, jewel-toned palette. Published on the occasion of an unprecedented traveling exhibition, this book celebrates Van Aelst's achievements and his significant impact on Dutch still-life painting. Van Aelst masterfully depicted arrangements of fresh fruit and flowers, displays of dead game, and evocations of the forest floor, as well as elegant objects such as nautilus

cups, distinctive silver vessels, and Venetian glassware. This book features twenty-five paintings from throughout his career. Catalog entries and a biographical essay are provided by Tanya Paul, James Clifton writes about the Medici court, Julie Berger Hochstrasser analyzes Van Aelst's choice of subject matter, Arthur K. Wheelock Jr. discusses Van Aelst's time in Amsterdam, and a team of conservators reveals his technical process.

The Elegance of the Hedgehog Jun 19 2022 The phenomenal New York Times bestseller that “explores the upstairs-downstairs goings-on of a posh Parisian apartment building” (Publishers Weekly). In an elegant hôtel particulier in Paris, Renée, the concierge, is all but invisible—short, plump, middle-aged, with bunions on her feet and an addiction to television soaps. Her only genuine attachment is to her cat, Leo. In short, she’s everything society expects from a concierge at a bourgeois building in an upscale neighborhood. But Renée has a secret: She furtively, ferociously devours art, philosophy, music, and Japanese culture. With biting humor, she scrutinizes the lives of the tenants—her inferiors in every way except that of material wealth. Paloma is a twelve-year-old who lives on the fifth floor. Talented and precocious, she’s come to terms with life’s seeming futility and decided to end her own on her thirteenth birthday. Until then, she will continue hiding her extraordinary intelligence behind a mask of mediocrity, acting the part of an average pre-teen high on pop culture, a good but not outstanding student, an

obedient if obstinate daughter. Paloma and Renée hide their true talents and finest qualities from a world they believe cannot or will not appreciate them. But after a wealthy Japanese man named Ozu arrives in the building, they will begin to recognize each other as kindred souls, in a novel that exalts the quiet victories of the inconspicuous among us, and “teaches philosophical lessons by shrewdly exposing rich secret lives hidden beneath conventional exteriors” (Kirkus Reviews). “The narrators’ kinetic minds and engaging voices (in Alison Anderson’s fluent translation) propel us ahead.” —The New York Times Book Review “Barbery’s sly wit . . . bestows lightness on the most ponderous cogitations.” —The New Yorker
