Commemorative edition Hailed as "the world's preacher," Billy Graham enjoyed a career that spanned six decades and his ministry of faith touched the hearts and souls of millions. In *Just As I Am*, a #1 New York Times Bestseller, Graham reveals his life story in what the Chicago Tribune calls "a disarmingly honest autobiography." With down-to-earth warmth and candor, Graham tells the stories of the events and encounters that helped shape his life. He recounts meetings with presidents, celebrities, and world leaders, including Harry S. Truman, Winston Churchill, Queen Elizabeth, and the Shah of Iran, and shares his own spiritual journey as he movingly reflects on his personal life and relationships. This is an inspirational and unforgettable portrait that will be treasured by readers everywhere. "This study examines the Cold War ideology of Billy Graham and other prominent representatives of the National Association of Evangelicals and their attempt to implement their messianic vision within the United States and promote it abroad from 1945 through 1962. While it focuses on the evangelical Protestant notions at the core of Cold War American messianism--the notion that the American way of life was ideal and that Communism posed a grave threat to it, the study also considers the nature and strength of Soviet messianism. In July 1945, evangelicals declared ideological cold war against world communism and began planning a spiritual invasion of Europe to restore Christianity and stop communism there. Billy Graham was among the young ministers sent to Europe, and he built upon his experience there to emerge as a major spokesman of American messianism. The popularity of Graham's anticommunism, a regular feature in his sermons, helped propel him to national fame. By 1950 his message was reaching much of the nation in a weekly radio broadcast, and by 1952 he was serving as a spiritual advisor to presidential candidate Dwight Eisenhower. As president, Eisenhower worked with Graham to orchestrate Cold War civil religion, which drew much of its animus from Soviet Communism. Graham was an important national leader in the ideological war against communism. His desire to create a big tent of American Christianity led to ideological moderation during the late 1950s, but he continued to preach his messianic vision for the United States. Meanwhile, Soviet messianism underwent major changes during the early Cold War that, because of their own ideological assumptions, most Americans missed. Billy Graham drew from American mythology to construct a compelling messianic vision for the future of mankind that met the hopes and fears of Americans in such balance that it became something of an official Cold War ideology throughout the 1950s. However inaccurate American conceptions of Soviet messianism were, Graham's imagery resonated with the public and its policymakers, and helped keep America's messianic vision for the future of

mankind robust into the early 1960s, even as Soviet messianism flagged"--Page vi-vii. The legacy of Billy Graham's ministry continues. This first-ever devotional book from Will Graham, grandson of renowned preacher Billy Graham, includes devotions that lead a longing soul to understand God's message of love and redemption. Each devotion includes stories centering on the life-changing power of a relationship with God, including themes such as prayer, sharing your faith, the willingness to obey God's promptings, and many other important topics. Each entry will include a scripture selection, a personal story, a corresponding quote from Billy Graham, and Will's teaching, a prayer, and a question to ponder. There are Graham family photos and photos of important events in Billy's ministry included throughout the book. Redeemed will appeal to anyone young or old who loves Billy Graham and who is looking to continue his legacy of faith. Examines the life of Billy Graham and how he impacted American culture by successfully tapping into broader cultural trends. For challenge and encouragement in your Christian life, read the life stories of the Heroes of the Faith. The novelized biographies of this series are inspiring and easy-to-read, ideal for Christians of any age or background. In Billy Graham, you'll get to know the tireless American evangelist who has seen millions of people worldwide accept Christ through his preaching crusades—and countless more through his writings, films, and radio and television broadcasts. Appropriate for readers from junior high through adult, helpful for believers of any background, these biographies encourage greater Christian commitment through the example of heroes like Billy Graham. 'Examining Billy Graham's Theology of Evangelism' was written to advance an unbiased understanding of Billy Graham's theology and practice. Theological examination of Graham's sermons revealed four distinct eras in his theology and practice: -The Early-Early Graham (pre-1949) -The Early Graham (1949-1955) -The Middle Graham (1955-1965) -The Later Graham (1965-present) In each of these eras Graham portrayed a discernible and distinct approach to defining evangelism, theological nomenclature, and cooperative strategy. No literature on Billy Graham discusses, in combination, this evolution in Graham's theology and practice. You are invited to take a fresh look at the teaching and practice of this man who has touched millions of lives through the proclamation of the Gospel of Jesus Christ. The Bible mentions angels nearly 300 times, yet until recently many doubted their existence. Marshall Frady's epic biography of Billy Graham, the world's best-known Christian evangelist and America's pastor. With unparalleled access to Billy Graham and his family and associates, Frady presents an intimate and multifaceted portrait of the man, from his childhood upbringing in the midlands of North Carolina to his ascent to national recognition. Frady's narrative encompasses the popular religious leader, his spiritual mission, and his political involvements and bears witness to the preeminent position Graham has held in American life for decades. "Billy Graham is our nation's least studied national institution...Frady has finally given him the kind of attention he deserves" (The New York Times). Collects quotations from seven decades of ministry by Billy Graham. Collects quotations from seven decades of ministry by Billy Graham. "Pastor and bestselling author Greg Laurie was one of those fortunate few blessed with an insider's view of Billy Graham's world for more than two decades ... [He] sheds light on Graham's lesser-known struggles--such as a broken heart before he met the love of his life and a crisis of faith from which he emerged stronger than ever. From the evangelist's private challenges and public successes to his disappointments and joys, [this book] provides a ... portrait of one of history's most [well-known] Christian lives"--Publisher marketing. Argues that social ills are bringing the world to the brink of destruction and that only repentance and religious faith can save humanity IF THERE WERE SUCH A JOB AS THE NATION'S PASTOR, IT WOULD GO TO BILLY GRAHAM Graham wasn't born with a mandate to become the face of modern evangelism. Growing up, he wasn't much different from other boys in his town. Billy was more interested in going to the movies than the moving of the Holy Spirit, and he spent more time chasing girls than God. But at a revival meeting the day before his sixteenth birthday, Graham committed himself to Christ and never looked back. That day, he started on the path that would make him the most influential Christian leader in American history. In Billy Graham: His Life and Influence, acclaimed author David Aikman probes critical episodes of Graham's life that help explain his profound impact, both on the public life of America and other nations and the private lives of their cultural and political leaders. From the racial upheaval of the civil rights movement to the social turmoil of the cold war, Aikman traces Graham's profound influence on a nation as it went through wrenching changes over the span of more than a half century. Through vivid anecdotes and fascinating details, Billy Graham: His Life and Influence tells the story of how a country boy from Charlotte with a heart for God grew up to help shape the world. Profile the life and work of Billy Graham, his extraordinary accomplishments, and the criticisms he has endured. A Prophet with Honor is the biography Billy Graham himself invited and appreciated for

its sympathetic but frank approach. Carefully documented, eminently fair, and gracefully written, it raises and answers key questions about Graham's character, contributions, and influence on the world religious scene. In this engaging and comprehensive book, William Martin gives readers a better understanding of the most successful evangelist in modern history, and the movement he led for over fifty years. *A Prophet with Honor* makes a vital contribution to the Billy Graham legacy and allows us to understand why his words, actions, and personality endeared him to popes and preachers, kings and presidents, and millions of Christians in virtually every nation and culture around the world. Martin draws on extensive conversations with Graham himself nearly two hundred interviews previously untouched resources, including documents from six presidential libraries and the Billy Graham Evangelistic Association archives personal observation of Graham's crusades and conferences in the United States and Europe decades of research on evangelical Christianity Martin pays particular attention to Graham's controversial relationships with Presidents Lyndon Johnson and Richard Nixon. He also describes how Graham's lifelong determination "to do something great for God" led him to organize international conferences that spearheaded the worldwide spread of the liberating message of Jesus, and prompted him to help strengthen religious freedom in the Soviet bloc and China. Tracing Graham's life and ministry from his rural and religious roots in North Carolina to his place as the elder statesman of American evangelicalism, examining both his triumphs and his tribulations, Martin shows the multidimensional character of the man who has become one of the most admired persons in the world. "This book provides a transnational history of Billy Graham's revival work in the 1950s, zooming in on his revival meetings in London (1954), Berlin (1954/1960), and New York (1957). It shows how Graham's international ministry took shape in the context of trans-Atlantic debates about the place and future of religion in public life after the experiences of war and at the onset of the Cold War, and through a constant exchange of people, ideas, and practices. It explores the transnational nature of debates about the religious underpinnings of the "Free World" and sheds new light on the contested relationship between business, consumerism, and religion. In the context of Graham's revival meetings, ordinary Christians, theologians, ministers and Church leaders in the United States, Germany, and the UK discussed, experienced, and came to terms with religious modernization and secular anxieties, Cold War culture and the rise of consumerism. The transnational connectedness of their political, economic, and spiritual hopes and fears brings a narrative to life that complicates our understanding of the different secularization paths the United States, the UK, and Germany embarked on in the 1950s. During Graham's altar call in Europe, the contours of a trans-Atlantic revival become visible, even if in the long run it was unable to develop a dynamism that could have sustained this moment in these different national and religious contexts"-- No one man or woman has ever been in a position to see the presidents, and the presidency, so intimately, over so many years. They called him in for photo opportunities. They called for comfort. They asked about death and salvation; about sin and forgiveness. At a time when the nation is increasingly split over the place of religion in public life, *The Preachers and the Presidents* reveals how the world's most powerful men and world's most famous evangelist, Billy Graham, knit faith and politics together. This study is the first detailed analysis of Billy Graham's social thought during one of the most volatile periods of American history, the Martin Luther King, Jr. years (1955-1968). Using previously unpublished documents, this book argues that although the popular evangelist occasionally supported King's mission to save America, he largely opposed King's vision of the beloved community and his tactics of civil disobedience. The book also offers the controversial claim that because Graham allowed his political allegiances to trump his biblical Christianity, he never dreamed of nor worked for a world marked by lasting racial reconciliation, economic justice, and peace. A comprehensive account of the ministry of Billy and Ruth Graham, focusing on their impact as a couple as well as on Billy's own extraordinary ministry. Meticulously researched, and accompanied by photographs from more than 70 years of public ministry, this is a definitive tribute. "Ruth and Billy Graham knew their God was big enough to solve all problems. When He gave them a job to do, He also gave them everything they needed to carry it out ... Ruth and Billy had a God for whom nothing is impossible, a God who loves people with a passionate love and a God who had done everything to gain their trust." Describes the life of one of the world's most famous evangelists. Inspiring children's biography of Corrie ten Boom, who saved hundreds of Jewish people during World War 2. But I do not account my life of any value nor as precious to myself, if only I may finish my course and the ministry that I received from the Lord Jesus, to testify to the gospel of the grace of God. —Acts 20:24 (ESV) Growing old has been the greatest surprise of my life," says Billy Graham, known by many as God's Ambassador. "I would have never guessed what God had in store for me, and I know that as I am nearing

home, He will not forsake me the last mile of the way.” In *Nearing Home* this man of faith—now in his nineties—explores the challenges of aging while gleaning foundational truths from Scripture. Billy Graham invites us to journey with him as he considers the golden years while anticipating the hope of being reunited with his wife, Ruth, in his heavenly home that eclipses this world. “When granted many years of life, growing old in age is natural, but growing old with grace is a choice,” says the author. “Growing older with grace is possible for all who will set their hearts and minds on the Giver of grace, the Lord Jesus Christ.” Join Billy Graham as he shares the challenges of fading strength but still standing strong in his commitment to finishing life well. “Explore with me not only the realities of life as we grow older but also the hope and fulfillment and even joy that can be ours once we learn to look at these years from God’s point of view and discover His strength to sustain us every day.” —BILLY GRAHAM

Billy Graham stands among the most influential Christian leaders of the twentieth century. Perhaps no single doctrine, practice, political position, or preacher has united the sprawling and diverse world of evangelicalism like Billy Graham. Throughout his six-decade career, Graham mainstreamed evangelicalism and through that tradition brought about major changes to American Christianity, global Christianity, church and state, the Cold War, race relations, American manhood, intellectual life, and religious media and music. His life and career provide a many-paned window through which to view the history and character of our present and recent past. *Billy Graham: American Pilgrim* offers groundbreaking accounts of Graham's role in shaping these phenomena. Graham stayed true to evangelical precepts yet journeyed to positions in religion, politics, and culture that stretched his tradition to its limits. This book's distinguished contributors capture Graham's evolution and complexity. Like most people, he grew in fits and starts. But Graham's growth occurred on an international stage, influencing the world around him in ways large and small. This book delves into this influence, going beyond conventional subjects and taking a fresh and nuanced look at the complex life and legacy of one of the most important figures of the last century. "As a child, Bill Graham fled Europe to escape Hitler's armies. He grew up on the streets of New York and in the dining rooms of the hotels in the Catskills. After failing as an actor, he headed for San Francisco right before the Summer of Love where he founded the Fillmore and launched the rock icons of a generation--Janis Joplin, Otis Redding, Jefferson Airplane, Cream, the Grateful Dead, and more. He was a complex, caring, compassionate whirlwind of energy who rock stars either loved--or hated. In his own voice and those of the people who knew him--Jerry Garcia, Keith Richards, Grace Slick, Ken Kesey, Eric Clapton, Pete Townshend, and Carlos Santana--we hear Bill's story as well as the scoop on the major events in rock for more than three decades, ending with his tragic death in a 1991 helicopter crash. Gritty, moving, funny, and always fascinating, *Bill Graham Presents* is the inside story of the explosive and unforgettable man who created the business of rock" -- From Amazon.com.

The *Billy Graham Training Center Bible* is a valuable resource that guides you to discover what the Bible says about anger, forgiveness, grief, marriage, peace, salvation, suffering, and temptation - more than 100 time-tested answers to your toughest questions from over 50 years of the Billy Graham Evangelistic Association's ministry. With an easy-to-use index, each topic is covered in a series of helpful chained notes throughout the Bible text, which clearly guide the reader to discover what the Bible says about his or her deepest needs.

A widely acclaimed political biography of Reverend Billy Graham which traces his vocal support for war in communication with presidents from Truman to George W. Bush, together with his opposition to the work of Martin Luther King, Jr. Updated to include newly available information, and selected book recommendations and reviews by the author. For over sixty years, Billy Graham has traveled the world preaching the Gospel face-to-face to more than one hundred million people. Across the globe in Europe, Asia, North and South America, Australia, and Africa, his crusades have broken stadium attendance records. And with the advent of radio, television, and satellite broadcasts, Graham has reached more than two billion people in his lifetime. *Billy Graham: God's Ambassador* includes hundreds of photos from the archives of Graham's photographer, Russ Busby, along with quotes, comments, and personal reflections from the past half century, most of them in the words of Graham himself and those who have been the closest to him. Unlike any other book ever published on his life and ministry, this insightful edition captures Graham the advocate, preaching for human rights and world peace; Graham the counselor, with presidents and world leaders; Graham the inspirer, a positive influence in times of conflict and discord; and Graham the husband and father, at home with his family. This unique, once-in-a-lifetime volume beautifully captures the public and private moments of one of the world's most prominent figures, and certainly the most influential Christian of the twentieth century. More than a conventional biography, Grant Wacker's interpretive study deepens our understanding of why Billy

Graham has mattered so much to so many, and how his uncanny ability to appropriate trends in the wider culture allowed him to transform his born-again theology into a moral vocabulary capturing the aspirations and fears of average Americans. Billy Graham stands among the most influential Christian leaders of the twentieth century. Perhaps no single doctrine, practice, political position, or preacher has united the sprawling and diverse world of evangelicalism like Billy Graham. Throughout his six-decade career, Graham mainstreamed evangelicalism and through that tradition brought about major changes to American Christianity, global Christianity, church and state, the Cold War, race relations, American manhood, intellectual life, and religious media and music. His life and career provide a many-paned window through which to view the history and character of our present and recent past. Billy Graham: American Pilgrim offers groundbreaking accounts of Graham's role in shaping these phenomena. Graham stayed true to evangelical precepts yet journeyed to positions in religion, politics, and culture that stretched his tradition to its limits. This book's distinguished contributors capture Graham's evolution and complexity. Like most people, he grew in fits and starts. But Graham's growth occurred on an international stage, influencing the world around him in ways large and small. This book delves into this influence, going beyond conventional subjects and taking a fresh and nuanced look at the complex life and legacy of one of the most important figures of the last century. The only critical political biography of Billy Graham currently in print, this book pulls back the curtain on a ministry that posed as "apolitical" but was actively engaged in national and international affairs from beginning to end. Five years of careful research in the written record, the Wheaton College archives where Graham placed his records, the Nixon Library, the MLK Jr Library, the Lyndon Johnson Library reveals a story Graham did not want told. Evidence was incomplete in some areas because he sealed some records for 25 years after his death (2018). As the author notes in the foreword, "You may be as surprised as I was at the picture that emerges in these pages. It is not the story of a man of peace." God's Generals Who Shook Nations Roberts Liardon chronicles the compelling spiritual biographies of some of the most powerful preachers ever to ignite the fires of revival. Follow the faith journey and life of Billy Graham, counselor and confidant of eleven U.S. presidents, who preached God's unconditional love and saving grace to millions. Billy Graham's legacy is celebrated in a collection of poignant tributes and memories as leaders from the worlds of government, business, sports, entertainment and religion share their personal stories and remembrances of this remarkable man. Would you like to know what Billy Graham thinks about the most important issues of daily life? What about politics, presidents and terrorism? This book contains answers to questions many of us would ask Billy Graham if we had the good fortune to sit down with the person many call "America's Pastor". Best-selling author Bill Adler arranges topics from Graham's sermons, speeches, interviews, television appearances and writings in an easy to follow Q and A format. Topics include Billy Graham on: Humor, Politics, Prayer, Technology and Religion, Race, Money, the Church, and Growing Older. Hear Graham's responses to questions like What will heaven be like? Why does God bring on natural disasters? What do you think about the mixing of religion and politics? What do you say to an atheist who doesn't think there is a God? What is the greatest spiritual threat facing the United States? How can we achieve world peace? Chicken Soup for the Soul: Billy Graham & Me contains 101 fascinating stories from all the living U.S. presidents, well-known pastors, country singers and other celebrities, and world leaders, relating their personal experiences with Billy Graham. Renowned Evangelical preacher Billy Graham has touched tens of millions of lives, inspiring faith and hope around the world. And you will get to know the beloved preacher better in these inspiring, personal stories by the people who know him best. You will meet the real Billy Graham, the man behind the public figure. Celebrating the life and legacy of one of America's best-known religious figures in words and photographs, this book traces the amazing journey of the lanky farm boy from Charlotte, North Carolina, who grew up to preach to more than 200 million people in stadiums and arenas around the world. Written by a journalist who covered Graham and his ministry for more than a decade, Billy Graham: A Life in Pictures chronicles the preacher's rise, his friendship with U.S. presidents, his spectacular crusades, and his work in building a religious organization that continues with his son Franklin as its leader. It also offers a glimpse into Graham's rich family life and how he managed to maintain his integrity while other religious personalities, despite—or perhaps because of—their large followings, were losing theirs. The book provides a fitting tribute to one of the most important religious leaders of the 20th century, a man of unimpeachable character who influenced millions around the globe.
