Emergence of Gouda Community in Andhra Pradesh Politics Aug 16 2022
This book discusses the phenomenon of the emergence of the Gouda community in Andhra Pradesh Politics from a historical perspective from 1956 to 2009. This work is very rare since no work has been done on the particular Cates's socio-political upliftment in erstwhile Andhra Pradesh State. The historical evidence of the origin and emergence of the Gouda community and the struggles carry forwarded by the leaders of this community. These dimensions are discussed in six chapters of this book. The theoretical and practical concepts and contextualization of the Gouda community's struggles in the entire Andhra Pradesh State

were discussed with a historical perspective and the parochial vicissitudes of the movements of the gouda community were discussed elaborately and intricately. This work is confined to the socio, cultural, economical and political emancipation of the gouda community and its rise to prominence in Andhra Pradesh state from the post-independent period to 2009. The period of the study is significant because it deals with the changing conditions of the Gouda community over a period of a half-century. Since the year 1956 has observed historical socio, political changes in the form of formation of the Andhra Pradesh state, the study begins with that year and Telangana statehood movement taken a historical turn in 2009 with the formation of political JAC and all caste groups formed as the JACs and worked with Telangana movement hence the study ends in 2009. In the part of mainstream historical studies, the contributions of Gouda community leaders and the growth and various stages of the Gouda caste movements have not been accounted for well. Therefore, this work hopefully fulfills the dearth of historical study on this community.

Periya Puranam Mar 31 2021 The Tamil Devotional Classic Periya Puranam or “The Great Epic” by Sekkizhaar is the saga of the sixty-three Nayanmars or servitors of the Lord who not only lived for Him, on the other hand, adored Him in delightfully distinct ways. Lord Shiva whom these Saiva-Siddhantins worshiped is not a sectarian deity but the supreme creator preserver and destroyer of the Universe who comes in human form from time to time and ‘plays’ with these servitors when their devotion gets incandescent. These Nayanmars consists of devoted men and women of all ages and range from tribal hunters to emperors of vast domains. Caste, community, wealth, and status do not count with them even as they do not with the Lord. The trials and

tribulations they cheerfully undergo and the incredible sacrifices they make for the Lord’s sake take our breath away. To pursue their stories is to inhale the air of sanctity and blessedness. Sri G.Vanmikanathan who has rendered the highlights of the original epic from Tamil to English with a racy running commentary is an experienced litterateur who has a number of other devotional works to his credit.

Sri Ganesha Purana Jul 15 2022 Lord Ganesha is the Favourite Deity of not only the Hindus but also of most people following other religious faiths. He is not only popular in India but also across the globe. The innumerable temples built for this Deity in every village , every town, every city, every state and every country all over the world is a testimony to the growing faith on this Lord amongst people. It’s the traditional faith among the Hindu Community that Lord Ganesha also known as Vinayaka, Ganapati, Vighneshwara etc annihilates any and every obstacle and impediment that may block the path to success in One’s endeavour. Hence it’s common that Vinayaka is propitiated at the beginning of any Initiative, any auspicious Function or ceremony. Unlike other Deities of Hindu Faith, many aspects of Lord Ganapati including His physical appearance kindles intrigue in everyone. He has an abnormally huge human body but from head to neck he resembles an elephant. There

are eighteen Mahapuranas and many Upa Puranas and Ganesha Purana is one among them.

Inside-Out Jan 09 2022 This book is a speck of fire from mans inherent quest to be at a perfect self-contented oneness with nature. Today's rat race towards technological development might have thrust man to lack awareness of that quest. Infact, the human journey and conditioning itself has an inherent character of making him lack awareness of his pristine aspects. This book is a humble effort in reminding man of his own quest, in facilitating him to get in touch with the truth long-suppressed and forgotten. The growing imbalance in the society is finding its expression not merely as the materialistic gap between haves and have-nots, but also in the form of Kundalini/Consciousness Awakening in more and more people. The spiritual deficit of the human collective is manifesting as spiritual burden on some. We know the many scientific laws of conservation, dont we? Among other things, the book propounds a possibility that our incapacity to comprehend God might be the limitation of human evolution, as of now! As much as the book talks about God, Spirituality and Mysticism, the book is more an effort in questioning the sufficiency of

science for current needs of human evolution. Time has come for man to expand his horizons not through Technology but by regaining his roots of spiritual strength and in the process expand the horizons of science. No development can be linear and no one instrument can prove self-sufficient for human evolution. In that sense, Science has reached its threshold. Yet, Science with Heart is waiting to be discovered and explored through the reinstatement of Trinity and Balance in the world. This book might not contain any new spiritual talk or wisdom for the spiritually inclined. But it might make a very interesting read for those who are not spiritually inclined yet. And when we realize that the term spiritually inclined is a misnomer, for we are the spirit, the purpose behind this book would have been fulfilled.

Śrīnarasiṃhapurāṇam Oct 26 2020 Hindu mythological text.

Gaṇeśapurāṇa Feb 22 2023 This book offers a translation of the seven thousand verses of the second book of the medieval Hindu text, the Ganesa Purana, one of two Puranas dedicated to the important elephant-headed god. In this book the reader is given many narratives about Ganesa's ascent to earth in order to kill demonic figures who threaten to overthrow the correct world order. In addition, these narratives contain myths about Ganesa's birth and family as well as some extended and quite humorous myths about ideal

devotees of the god. The translation is preceded by a long introduction offering a geographical and historical context for the Ganesa Purana. Following the translation are very extensive notes which bring our points of philological interest, but focus mainly on the literary structure of the text and the methods used to present the many myths and narratives in a coherent and fully integrated manner.

Girls for Sale May 01 2021
First staged in 1892, the South Indian play *Girls for Sale* (*Kanyasulkam*) is considered the greatest modern work of Telugu literature and the first major drama written in an Indian language that critiqued British colonialism's effects on Indian society. Filled with humor, biting social commentary, parody, and masquerade, the plot revolves around a clever courtesan, a young widow, and a very old man who wants to buy as his wife a very young girl.

Velcheru Narayana Rao has prepared the first idiomatic English translation, with notes and a critical essay. Itself a masterpiece of Indian literature in translation, this edition makes Apparao's work available to new audiences.

The Hungry God Jun 14 2022
India's folklore and classical literature abound with stories of parents who sacrifice their children. In *The Hungry God*, David Shulman examines one set of such tales—Hindu texts that bear similarities to the biblical aqedah, the account of Abraham's near-sacrifice of Isaac. In all the stories that Shulman explores, the sacrifice proceeds from a divine command and has no utilitarian explanation or rationale.

Markandeya Purana Jul 03 2021
The birds said- 'O Jaimini! This was the way, sage Markandeya had narrated the divine tales to Kraustuki. A person who either studies this Purana or listens to it achieves great accomplishment. All his desires are fulfilled and he enjoys a long life. He becomes free from all his sins.

Markandeya Purana is the seventh among all the eighteen Puranas. Listening to it helps a man to atone for all the sins committed during the period of one hundred crore Kalpas. The virtues attained by listening to Markandeya Purana are equivalent to the virtues attained by making donations at Pushkar or by studying all the Vedas. Jaimini replied- 'O birds! You have enlightened my mind by narrating the tales of Markandeya Purana and have made it free from all sorts of confusion. May the almighty God bless you, may you enjoy a long life free from all the diseases.' Saying like this, Jaimini went back to his hermitage.

Siva's Warriors Jan 21 2023

Here is the first translation into English of the Basava Purana, a fascinating collection of tales that sums up and characterizes one of the most important and most radical religious groups of South India. The ideas of the

Virasaivas, or militant Saivas, are represented in those tales by an intriguing mix of outrageous excess and traditional conservatism. Written in Telugu in the thirteenth century, the Basava Purana is an anthology of legends of Virasaivas saints and a hagiography of Basavesvara, the twelfth-century Virasaiva leader. This translation makes accessible a completely new perspective on this significant religious group. Although Telugu is one of the major cultural traditions of India, with a classical literature reaching back to the eleventh century, until now there has been no translation or exposition of any of the Telugu Virasaiva works in English. The introduction orients the reader to the text and helps in an understanding of the poet's point of view. The author of the Basava Purana, Palkuriki Somanatha, is revered as a saint by Virasaivas in Andhra and Karnataka. His books are regarded as sacred texts, and he is also considered to be a major poet in Telugu and Kannada. Originally published in 1990. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in

the thousands of books published by Princeton University Press since its founding in 1905.

Guru Charitra is one of the most revered scriptural texts of Hinduism. Containing the biographies of Lord Dattatreya, (Lord Bramha, Vishnu and Mahesh) and his subsequent incarnations Sripada Sri Vallabha and Sri Narasimha Saraswati, it clarifies several doubts on religious dogmas, rituals and doctrines through a conversation between the master and his disciple. This book, steeped in lofty Hindu philosophical ideas also portrays a picture of the social and economic condition of the medieval times in India, and the message conveyed by the

numerous teachings of the Guru needs to be understood in the context of those days. Reading of this interactive account, written in simple and lucid language will give strength and encouragement to spiritual aspirants to continue with their sadhana (spiritual pursuit), enable them to overcome the various problems of modern day living and fulfil their inherent wishes.
