The website was established in Melbourne, Australia with the main focus being on old and new performance cars and motorsport events. The original intention of the site was to give visitors free access to an extensive catalogue of photos taken at motorsport events including the Australian Grand Prix, historic events at Sandown and Phillip Island and Targa events. As the website's grown, I've included used car reviews and have been fortunate enough to get cars from CarAdvice to review. More recently, I've managed to undertake some new car reviews from Kia, Toyota and Hyundai. The aim is to get more new cars to review in the future and hopefully provide accurate and non-biased advice to new car buyers. I'm also adding in some content from new car releases and have been uploading some in car-footage of my drives. Hopefully this area of the website can really grow in the future.This e-book focuses on new and used car reviews, significant road and race cars, Australian motor racing circuits, the Aussie Driver Search

competition, great driving roads in Victoria and cars that feature in computer games. I've included my favourite images into these articles. I hope that you enjoy the diverse range of content and find it interesting and informative. By the time he was twelve, Spanian knew he would follow his family's footsteps to become a career criminal. What followed was a decade-long string of brazen crimes and brutal violence: stabbings, ram-raids, drug runs and a notorious high school siege. Throughout the Sydney social housing enclaves of Redfern, Waterloo and Woolloomooloo, Spanian earned a reputation as one of the city's most flagrant crooks; armed with a boxcutter in one hand, and a syringe in the other. But it all came at a damning price: in the throes of heroin addiction and thirteen years wasted behind bars, Spanian became a longstanding resident of jails across New South Wales. There, he was embroiled in racial divisions, prison politics, and a vicious vortex of self-destruction, until music and books became an unlikely lifeline. Reading and rapping became new rituals, and a glistening light at the end of the tunnel. Released from Bathurst Correctional Centre in 2017 with newfound purpose, Spanian has since found viral fame and a sprawling, worldwide audience through hip-hop and his magnetic social media presence. This is the powerful, unflinching and high-octane memoir of how a young inner-city kid became Spanian. It gives unapologetic insight into the gritty socio-economic underbelly of Sydney city, the criminal justice system, and the correctional system. The story of Spanian provides hope that even the most stubborn cycles can be broken, and new dreams made.
