Reading the Gospels Wisely Jul 19 2022 This textbook on how to read the Gospels well can stand on its own as a guide to reading this New Testament genre as Scripture. It is also ideally suited to serve as a supplemental text to more conventional textbooks that discuss each Gospel systematically. Most textbooks tend to introduce students to historical-critical concerns but may be less adequate for showing how the Gospel narratives, read as Scripture within the canonical framework of the entire New Testament and the whole Bible, yield material for theological reflection and moral edification. Pennington neither dismisses nor duplicates the results of current historical-critical work on the Gospels as historical sources. Rather, he offers critically aware and hermeneutically intelligent instruction in reading the

Gospels in order to hear their witness to Christ in a way that supports Christian application and proclamation.

Those Sweet Words Nov 18 2019 Good old, reliable Pru. Of the four Reynolds sisters, Pru is the natural choice to take on custody of the girl their late mother had planned to adopt. At thirty, suddenly becoming the mom of a teenager means big changes, but Pru's ready to do whatever it takes to adopt Ari. Before she settles down, though, she wants one thing for herself. Enter Flynn Bohannon, the sinfully sexy Irish musician in town for her sister's wedding. He's led the kind of free, vagabond life Pru can hardly imagine. Definitely not the kind of guy she should be dating, but he's the perfect guy for a crazy fun fling before her life changes. When Pru proposes a brief, no strings affair, Flynn's not about to say no. But when unexpected complications endanger the adoption, the two find themselves in a phony engagement. Now they have to convince a sharp-eyed, skeptical social worker, a teen who's too smart for her own good, three dubious sisters, and one protective brother-in-law that Flynn's willing to give up the gypsy life and settle down. But in convincing everyone that this relationship is real, will they convince each other as well?

The Theology and Philosophy of Eliade Jun 25 2020 The primary focus of this study is to view Eliade as not only a historian of religions but also as a theologian, a philosopher, novelist and as someone engaged in cross-cultural dialogue with other religious traditions. Besides attempting to view Eliade's work from a variety of perspectives, this study contends that the scholarly work of Eliade cannot be separated from his own personal quest for meaning.

Stories in Stone Jan 01 2021 In a series of entertaining essays, geoscientist Jelle Zeilinga de Boer describes how early settlers discovered and exploited Connecticut 's natural resources. Their successes as well as failures form the very basis of the state 's history: Chatham 's gold played a role in the acquisition of its Charter, and Middletown 's lead helped the colony gain its freedom during the Revolution. Fertile soils in the Central Valley fueled the state 's development into an agricultural power house, and iron ores discovered in the western highlands helped trigger its manufacturing eminence. The Statue of Liberty, a quintessential symbol of America, rests on Connecticut 's Stony Creek granite. Geology not only shaped the state 's physical landscape, but also provided an economic base and played a cultural role by inspiring folklore, paintings, and poems. Illuminated by 50 illustrations and 12 color plates, Stories in Stone describes the marvel of Connecticut 's geologic diversity and also recounts the impact of past climates, earthquakes, and meteorites on the lives of the people who made Connecticut their home.

As she becomes involved in the life of the island, and its inhabitants, she has to embark upon a whole new life and discovers many things about her husband - and her own past - that will change everything forever...

Autumn in Scotland Sep 28 2020 Abandoned by a rogue Betrothed to an earl she had never met, Charlotte Haversham arrived at Balfurin, hoping to find love at the legendary Scottish castle. Instead she found decaying towers and no husband among the ruins. So Charlotte worked a miracle, transforming the rotting fortress into a prestigious girls' school. And now, five years later, her life is filled with purpose—until . . . Seduced by a stranger A man storms Charlotte's castle—and he is not the reprehensible Earl of Marne, the one who stole her dowry and dignity, but rather the absent lord's handsome, worldly cousin Dixon MacKinnon. Mesmerized by the fiery Charlotte, Dixon is reluctant to correct her mistake. And though she's determined not to play the fool again, Charlotte finds herself strangely thrilled by the scoundrel's amorous attentions. But a dangerous intrigue has drawn Dixon to Balfurin. And if his ruse is prematurely revealed, a passionate, blossoming love affair could crumble into ruin.

Watchmen and Philosophy Dec 12 2021 Alan Moore's Watchmen is set in 1985 and chronicles the alternative history of the United States where the US edges dangerously closer to nuclear war with the Soviet Union. Within this world exists a group of crime busters, who don elaborate costumes to conceal their identity and fight crime, and an intricate plot to kill and discredit these "superheroes." Alan Moore's Watchmen popularized the graphic novel format, has been named one of Time magazine's top 100 novels, and is now being made into a highly anticipated movie adaptation. This latest book in the popular Blackwell Philosophy and Pop Culture series peers into Moore's deeply philosophical work to parse and deconstruct the ethical issues raised by Watchmen's costumed adventurers, their actions, and their world. From nuclear destruction to utopia, from governmental authority to human morality and social responsibility, it answers questions fans have had for years about Watchmen's ethical quandaries, themes, and characters.

WAN Survival Guide Jun 06 2021 Ensure that your WAN can handle the latest technologies with this must-have strategy guide If a Wide Area Network (WAN) isn't set up properly, it won't be able to meet the needs of the applications being used in the Local Area Network (LAN). And with the emergence of new technologies such as VPNs, multi-service networks, and the mobility of corporate users, the costs involved with running a WAN have changed dramatically. Written by an expert on WAN design, this book provides a comprehensive strategy for choosing

the best technologies available for your WAN. It includes analysis of business requirements for WANs, end-user and service provider requirements, and the capabilities and tradeoffs of the available technologies. The book also covers the realities and limitations of QoS, security, multi-service networks, virtual networks, VPNs, multi-homing, roaming, and mobility.

Crazy Over You Nov 30 2020 She's on the sheriff's most wanted list. Waking up with a naked woman holding a knife at his throat is just about the last thing Sheriff Travis Flynn expected. And the brother she's looking for? A murderer. And dead. Probably. But the real shock comes when she insists she's not a Lycan. LeAnn Wilcox isn't looking for love...especially not from some wolf in sheriff's clothing. She operates on the other side of the law. Once she finds her brother-alive-she'll get out of the pack's territory and go back to her regular, normal, non-furry life of changing jobs and her name whenever her past closes in. The cool, logical Sheriff has finally met his match, but LeAnn's life is at stake if she won't claim her place in the pack, especially once his control over the pack is challenged and her brother's fate is questioned.

Refashioning Nature Oct 30 2020 We live in a society as dominated by food preference as by sexual preference, as obsessed with eating too much as with eating too little. In this accessible, cross-disciplinary text, David Goodman and Michael Redclift look at the development of the modern food system, integrating different bodies of knowledge and debate concerning food, agriculture, the environment and the household. They link changes in our diet and concern with the environment to many of the problems afflicting developing countries: food shortages, poor nutrition and wholesale environmental destruction.

Diminished Ovarian Reserve and Assisted Reproductive Technologies Oct 22 2022 This book brings together the most current research and the latest clinical approaches to the management of diminished ovarian reserve (DOR), one of the largest segments of the IVF patient population, both in the advanced reproductive age group as well as poor responders. Opening with a review of the definition and scope of the problem, as well as the current understanding of the natural history of DOR, subsequent chapters in part I outline dietary, hormonal, traditional supplements and conventional methods used to stimulate ovaries and improve ART outcomes. The main segment of chapters, comprising part II, present minimal and mild stimulation protocols and alternatives, frozen embryo transfer preparation, trigger agents and post-trigger testing, embryo culture and endometrial considerations, and a review of clinical outcomes. Part III discusses the utilization of contemporary technologies in the treatment of DOR, including fresh vs. frozen embryo transfer, cryopreservation and comprehensive chromosomal analysis. Future prospects are

presented in part IV, such as the artificial oocyte and ovary development, early-age oocyte freezing, ovarian cortical tissue freezing and activation of the ovarian cortex. Utilizing the latest evidence and authored by an international array of thought leaders, *Diminished Ovarian Reserve and Assisted Reproductive Technologies* is an excellent resource for reproductive medicine and REI specialists, IVF lab professionals, and students and residents in these areas.

[SafeFITS - Safe Future Inland Transport Systems](#) May 17 2022 This report presents the results of the project Safe Future Inland Transport Systems (SafeFITS), which aims to develop a robust road safety decision-making tool to support the most appropriate road safety policies and measures to achieve tangible results. Road accidents constitute a major social problem in modern societies, accounting for more than 1 million accidents per year in EU-28 (2,900 per day), resulting in 1.4 million injuries and 26,000 fatalities. Current trends suggest that, unless action is taken, traffic injuries will become the fifth leading cause of death by 2030, with the disparity between high-income and low-income countries further increased.

Culture and Foreign Language Education Sep 21 2022 The teaching of culture and interculturality is today viewed as an integral part of foreign language education. This book presents insights from recent research on the role of culture in second/foreign and heritage language education. It contains 14 chapters including an introductory chapter that discusses diachronically the evolving notion of culture and how the sociocultural view of culture as a complex and dynamic concept informs language teaching and language learning research. The chapters following the introduction are organised in four parts focusing on: 1) the teacher's role in integrated language and culture learning; 2) the interrelationship between culture, identity, and language learning and use; 3) the effect of culture on learner characteristics which impact language learning processes and outcomes; and 4) curriculum development aimed at fostering language and culture learning. The chapters in Parts 1 to 3 present contributions from current research - either in the form of the authors' original studies or comprehensive reviews of relevant essential research - which bears important implications for curricular practice in foreign language and language teacher education. This close link between research, theory and practice is also maintained in the two chapters in Part 4, which present developmental projects based on well-grounded theoretical frameworks.

The Company Daughters Oct 10 2021 'Blew my mind... so magically written and most of all that it is based on true events... a hard-hitting, soul-crushing book... I loved every moment of it... immersive, heart-wrenching, I feel emotional writing this review.' Goodreads reviewer, 5 stars
Wanted: Company Daughters. Virtuous young ladies to become the brides of industrious settlers in a foreign land. The Company will pay the cost of the lady's dowry and travel. Returns not permitted, orphans preferred. Amsterdam, 1620. Jana Beil has learned that life rarely provides moments of joy. Having run away from a violent father, her days are spent searching for work in an effort to stay out of the city brothels, where desperate women trade their bodies for a mouthful of bread. But when Jana is hired as a servant for the wealthy and kind Master Reynst and his beautiful daughter Sontje, Jana's future begins to look brighter. Then Master Reynst loses his fortune on a bad investment, and everything changes. The house is sold to creditors, leaving Jana back on the street and Sontje without a future. With no other choice, Jana and Sontje are forced to sign with the East India Company as Company Daughters: sailing to a colonial Dutch outpost to become the brides of male settlers they know nothing about. With fear in their hearts, the girls begin their journey -- but what awaits them on the other side of the world is nothing like what they've been promised... Based on true history, this is a gripping and unputdownable historical novel, perfect for fans of *Girl with a Pearl Earring*, *The Miniaturist* and *The Indigo Girl*.
WINNER OF THE 2021 GOLDEN CROWN LITERARY SOCIETY AWARD FOR DEBUT FICTION. FINALIST FOR THE 2021 BISEXUAL BOOK AWARDS. LONGLISTED FOR THE 2021 HWA DEBUT CROWN AWARD.
What readers are saying about *The Company Daughters*: 'Blew my mind... a book I've told so many people about purely because I'm still in disbelief that it exists, that it's so magically written and most of all that it is based on true events... a hard-hitting, soul-crushing book of a woman's struggle to survive... I loved every moment of it. Breathlessly, and in a way that took up my entire brain... immersive, heart-wrenching, and I feel emotional writing this review.' Goodreads reviewer, 5 stars
'From the moment I started reading *The Company Daughters*, I was captivated by this historical tale. Although it does contain a love story, it's not a romance... This was a gripping read.' Goodreads reviewer
'This book is so stunningly tender and beautiful, all mixed in with some seriously tragic and heart-wrenching events... Rajaram is an extremely skilled writer, and I love her writing style... The themes of sisterhood and female love were so present in this book and I found it very moving.' Goodreads reviewer
'I was enchanted by this book! It's a delightful read that will have your emotions all over the place.' Goodreads reviewer
'I love historical fiction, and this book touched on a topic and time I knew nearly nothing about... There's love, there's loss, there's surviving, there's thriving... It was a very beautiful book.' Goodreads reviewer
'The *Company Daughters* is a beautifully written love story... a perfect example of the power of human will and the endurance and hope that love can give a person.' Goodreads reviewer, 5 stars
'This book has a beauty and grace to it. The author's writing just flows off the page, and although there are struggles and upsets by the time you close the book over you are filled with a warm glow.' Goodreads reviewer
'A powerful and insightful read. I look forward to reading more historical work by Samantha Rajaram!' Goodreads reviewer
'Heartbreaking... a moving book... vivid, with amazing characters... This is a great read.' Goodreads reviewer

The Fourfold Gospel Jun 18 2022 This groundbreaking approach to the study of the fourfold gospel offers a challenging alternative to prevailing assumptions about the creation of the gospels and their portraits of Jesus. How and why does it matter that we have these four gospels? Why were they placed alongside one another as four parallel yet diverse retellings of the same story? Francis Watson, widely regarded as one of the foremost New Testament scholars of our time, explains that the four gospels were chosen to give a portrait of Jesus. He explores the significance of the fourfold gospel's plural form for those who constructed it and for later Christian communities, showing that in its plurality it bears definitive witness to what God has done in Jesus Christ. Watson focuses on reading the gospels as a group rather than in isolation and explains that the fourfold gospel is greater than, and other than, the sum of its individual parts. Interweaving historical, exegetical, and theological perspectives, this book is accessibly written for

students and pastors but is also of interest to professors and scholars.

Reawakening Jan 21 2020 "I'm not a piece of property that you can just claim, Romaric." Having been held hostage for a month by vicious vampires, Sarah is now recovering in the most unlikely of places...the shelter that her sister, Kate and her vampire mate, Devon, opened to help such victims as herself. After months under the watchful eye of her sister, she's finally put a plan into motion to secure her future when a very imposing, very stoic and utterly drop dead gorgeous vampire takes her world by storm and turns it completely upside down. "Ah, but that's where you're wrong, my beauty. You are mine and I've come to do exactly that." Romaric Dietrich, West Regent Vampire Lord is one of the oldest vampires alive. He's cold, calculating and nearly unmatched in power. Vampires recognize their Moiras instantaneously and upon first laying eyes on Sarah Hill, he senses she's his. His Moira. His Destined mate. The one woman meant to be his and his alone. But how is that possible when he'd loved and lost his first? In his quest to uncover the truth, not only does he discover that Sarah is indeed the other half of his soul, but he's put himself, and his mate, in the crosshairs of yet another very powerful enemy. Only bonded together do they have the power to win the battles ahead. With one look into his icy-blues, Sarah knows that Romaric is not the aloof, uncaring enigma he pretends to be. Underneath his cool, rough exterior lays a passionate, romantic and fiercely loving heart of gold. As they fight the battles to come, Sarah holds the key to not only unlocking his centuries hardened soul, but to the one thing that will save them both from this new nemesis. But will she make her decision in time? And will they finally get the happiness they both deserve?

Protecting His Witch Mar 03 2021 The last thing he wanted was to fall for a witch... Veterinarian Kat Ramsey hasn't a clue that she's a witch. Sure, she can read minds, and there's the whole "dimension-hopping" issue that she can't quite control, but Kat is determined to keep things normal. That is, until she accidentally hops into the Otherworld and runs into Matthew Ryan?the seriously hot one-night stand from years ago who shoved her out of his dorm. Naked. And there's the tiny matter of the curse she gave him. May you never find satisfaction with another woman. Billionaire and former druid Matthew Ryan hasn't forgotten the curse, or the witch who gave it to him. Kat's unexpected return means the curse will finally be broken. Unfortunately, his libido has other ideas?like how to get her back into his bed one last time. But far more worrying is his suspicion that Kat is the seventh Pleiades witch. Because while he's turned his back on his druidic ways, he's still bound to protect the woman who made his life hell. Each book in the Keepers of the Veil series is STANDALONE: * Protecting His Witch * His Witch to Keep * Playing the Witch's Game

The Chateau May 25 2020 I've been taking care of my little sister for a long time. When Mom was gone, she suddenly became my responsibility. The best years of my life were spent being a caretaker to someone else...with no one to take care of me. So I moved to Paris for my study-abroad program and ended up staying, getting a French Literature degree, studying the classics while sipping the best wine I'd ever had. My sister never makes the best decisions, always makes messes to clean up, and it's finally time for me to have my own life. But when she comes to Paris for a visit...she brings trouble with her. She gets herself into a bad situation, and of course, I come to her rescue...like I always do. Now we're in a labor camp in the middle of nowhere, surrounded by endless snow and mountains, processing drugs for a group of men that never show their faces. There's no chance of escape in this wilderness. Except for my guard. He's not a saint, but he's the only man that's kind to me. He knows I want to escape, but he never reports me. When I've had a hard day, he brings me extra things to make my life easier. He tells me not to run because I'll never make it...but he brings me little hidden tools...as if he's giving me the means. Like he wants me to be free.
